ABOUT OUR PROGRAM

We understand that selecting a school days-out program is one of the most important decisions you will make for your school-age child. A great deal of thought and consideration goes into your decision, and we are privileged that Bright Horizons at Harrison Park is among your choices. At Harrison Park, your child will be cared for by experienced and dedicated counselors in a fun, loving, and nurturing environment. We strive to provide you with flexible school-age solutions that demonstrate our commitment to excellence. When your school-age child needs care, Harrison Park provides:

A Premiere School-Age Program

Our low counselor-child ratios allow us to establish personal connections in a small-group atmosphere. We provide innovative, theme-based camp programs designed specifically for school-age children.

The World of School-Age

Bright Horizons at Harrison Park understands the growing, physical, intellectual, and social competencies of school-age children. We create a safe and loving environment where the pressures of the world are not present and children can have exciting, memorable experiences. Our campus provides a room specifically designed with your school-age child in mind. Our School Age space is equipped with all things STEM including a 3D printer, Game Station & Media Corner with a Wii & Xbox Connect, a writers corner, and touch screen computers, and finally art studio where all School-Age children can explore their inner creativity with unique art materials, music instruments, and dramatic arts materials!
