

WE ALL LOVE OUR PETS...

...but some pets, and pet parents, need a little extra support.

Friends of the Cleveland Kennel's mission is two-fold: we provide the necessary medical and general care to the dogs and cats in need at Cleveland Animal Care & Control (CACC), better known as the City Kennel, and we work to reduce intake numbers and save lives by providing affordable resources and education to Cleveland residents.

2017 was a hallmark year for us. It was our first full year of operation at Neighborhood Pets Outreach & Resource Center Program where we offer affordable veterinary care and other resources for low-income pet owners in Cleveland. Through the Neighborhood Pets program over 1,030 individual low income pet owners were assisted with pet care, 609 pets were spayed or neutered, and over 1000 pets were vaccinated. FOCK believes that helping pets means helping their people. And helping people means helping their pets.

At Cleveland Animal Care & Control (CACC), we contributed over \$4,000 in medical supplies and over \$50,000 in veterinary care & supplies for the animals at the shelter. In addition, our organization has saved 36 heartworm positive dogs' lives this past year with our Plankton Fund program and we have helped over 160 dogs and cats by providing life saving emergency medical care. We have also invested over \$15,000 in play yards, Kong toys, and the Dogs Play for Life Enrichment program, which has tremendously improved the dogs' quality of life and adoptability while waiting to be adopted at CACC through the City Dogs adoption program.

WHY SPONSOR?

Art Fur Animals comprises about 75% of FOCK's annual budget. Because we aren't a traditional people-focused nonprofit, typical government and foundation funding isn't often available to us. We rely on the generosity of individuals and businesses like yours to fund our work.

BY SUPPORTING THIS EVENT, YOU ARE:

- 1 Saving the lives of Cleveland's homeless animals in need
- 2 Keeping families together, through our program for pets and their owners living in poverty.
