

I'm open-minded and can play multiple roles on a team to maximize project performance.
I open up all my senses to live and take responsibility for myself based on my beliefs.

Education

ArtCenter College of Design

09/2020 - 06/2022 | Pasadena, CA

Graduate Industrial Design

China Academy of Art Shanghai Institute of Design

09/2016 - 06/2020 | Shanghai, China

Bachelor of Product Design

Experience

UI/UX Internship In Trufl | May -Sep. 2022

Work with design team and other departments of the company to deliver partner and guest facing solutions.
Take feedback and quickly turn them into requirements for wireframing, presentation, design, and development.
Take on smaller projects like sales materials, website updates, marketing, and social media as needed.

Babycare Stroller | Sep. -Dec. 2021

Sponsored by Babycare from China. The project focused on the Chinese stroller segment, proposing a new product line for them to enter the high-end market.

Makita Drill | Jan. -Mar. 2021

Supported by Makita. With the theme of cordless drill products, I created a new distinctive brand language for the next five years.
