Bus Transportation Discount

DATTCO www.DATTCO.com has generously offered a special deal for those traveling to the 2018 Catholic Youth Encounter. We encourage you all to take advantage of this discount and leave your cars at home.

DATTCO will charge approximately \$280.00 per bus for the Youth Encounter. Price may vary depending on distance & hours served.

Each vehicle can accommodate approximately 45 high school aged students, or adults.

Churches/schools are welcome (and encouraged) to combine and share a bus to divide the cost and save money. As long as the churches/schools are somewhat near to one another, i.e. adjacent towns, etc. then the ride won't be too long.

Call DATTCO preferably before **August 31, 2018** (*no individual passenger reservations please*). Identify that you are reserving for the "Catholic Youth Encounter" and DATTCO will apply this discounted rate, reserve the buses, nail down times, location, and other specifics to plan your trip.
