

GasFlex Hoses

Standard and custom-made products

All hoses are manufactured to the required specifications immediately upon receipt of an order and are available promptly. Our extensive standard range is complemented by bespoke custom requirements. Thanks to our large inventory of parts, we can also offer custom constructions at short notice.

Hose Material

Medical gas hose according to EN ISO 5359. Five-layer hose made of soft PVC with high-strength polyester fabric reinforcement. Antistatic and heat-resistant.

Inner Diameter	Outer Diameter	Wall Thickness	Pressure Resistance	Weight
6,3 mm	12,4 mm	3,0 mm	15 bar	106 g/m
