**Library Offers New Items in Library of Things Collection**  
Borrow Sewing Machines, Microscopes, Outdoor Games and More

FRANKLIN, Ind. – Johnson County Public Library has added several new items to the Library of Things Collection.

What is our Library of Things? It's simply a collection of items that you can borrow. We offer fun and useful things from board games and experience passes to mobile Wi-Fi and ukuleles for you to try out and enjoy for FREE with your library card.

Why are we adding to our collection? Last summer, we set an Explore Summer community reading goal of 35,000 hours to be read by the end of summer. Explore Summer participants surpassed our goal and cast the most votes for Library Prize #3 - Expansion of our Library of Things! Then, via survey, you helped choose which items we would add to our collection.

The following items are available for checkout:

- Cake Pans / Cookie Cutter Sets
- Retro Gaming System-Nintendo NES
- Microscope Kits
- Sewing Machines – Donated by Tri Kappa
- Snap Circuit Kits
- Outdoor Lawn Games
