At Bright Horizons at Cranberry we offer:

- A full day Kindergarten program licensed by the Department of Education. The school day includes Math, Writing, Language and Science, as well as morning and aftercare!
- Early registration! If your child is four, they may begin Kindergarten if they turn five by December 1st. This is an extension compared to most school districts.
- Lessons are age appropriate, all with the goal of encouraging curious, happy, and confident children who, above all, fully experience the joys of childhood. Our certified teacher creates lessons meeting State and NAEYC standards.
