**Dear athletes, coaches,
lovers of contact karate!**

I am convinced that the organization of the international Katana Euro Cup karate tournament under the leadership of my longtime friend, karate master Janez Medja, will be carried out at the highest level. I would like to thank him in advance for the invitation, for his perseverance and prudence, to unite and host many athletes in sports, traditional and contact karate.

At the same time, I am very honored to be able to solemnly welcome all participants present at this prestigious karate tournament. Our and foreign fighters will be able to be part of a large karate family, that will compete against each other in full contact fights in the disciplines of Kumite K.O. and Full Karate Combat.

We can look into the future with optimism and believe that contact karate promises better times. I am also optimistic that in these two years of emergency, sports activity and competitive sports have proven to be one of the most important activities that we can carry out anywhere and anytime. We will continue to be active and make every effort to make contact karate more recognizable, to become an equal variation to other types of karate. It is diversity that can enrich us and broaden our horizons.

Let me once again kindly invite you to attend this international sporting event in as many numbers as possible. I would like to conclude with the wishes that we all stay healthy and that our tomorrow will be full of new energy and joy, as we had before the pandemic. I wish the organizer all the best!

Let's stay connected!

**Spoštovani športniki, športnice, trenerji,
ljubitelji kontaktnega karateja!**

Prepričan sem, da bo organizacija mednarodnega Katana Euro Cup karate turnirja pod vodstvom mojega dolgoletnega prijatelja, mojstra karateja Janeza Medja izpeljana na najvišjem možnem nivoju. Že sedaj se mu vnaprej zahvaljujem za povabilo, za njegovo vztrajnost in preudarnost, da bo na enem mestu združil in gostil številne športnice in športnike v športnem, tradicionalnem in kontaktinem karateju.

Hkrati sem zelo počaščen, da bom lahko slovesno pozdravil vse prisotne udeležence na tem prestižnem karate turnirju. Naši in tuji borci bodo lahko del velike karate družine, ki se bodo med seboj pomerili v borbah polnega kontakta v disciplinah Kumite K.O. in Full Karate Combat.

Z optimizmom lahko gledamo v prihodnost in verjamemo, da se kontaktному karateju obetajo boljši časi. Optimizem mi vliva tudi podatek, da se je v teh dveh letih izrednih razmerah izkazala ravno športna aktivnost in tekmovalni šport, kot ena najpomembnejših dejavnosti, ki jo lahko izvajamo kjerkoli in kadarkoli. Še naprej bomo aktivni in vse napore vložili, da kontaktni karate postane prepoznavnejši, da postane enakovreden sogovornik ostalim pojavnim oblikam karateja. Ravno raznolikost nas lahko bogati in širi naša obzorja.

Dovolite mi, da vas še enkrat vladljivo povabim, da se udeležite tega mednarodnega športnega dogodka v čim večjem številu. Zaključil bi z željami, da ostanemo zdravi in da bo naš jutri poln nove energije in veselja, tak, kot smo ga imeli pred epidemijo. Organizatorju pa želim vse najbolje!
Ostanimo povezani!
