2022 NHS Sailing Team Wrap-Up

The Nantucket High School Varsity Sailing Team has wrapped up its 2022 season! The team is part of the New England Schools Sailing Association (NESSA) and competes in the Cape and Islands League. We congratulate the team on a great Spring - with seven wins and four losses. A special congratulations to Senior, Sara Gazaille on her tenure with the team. Coach Joe Lloyd commented: "Team Captain Sara Gazaille has been an amazing leader and teacher to her teammates" and we all wish her the very best moving forward! With a very young squad of mostly Sophomores - and even five 8th graders - there will be many returning faces next season. Congratulations NHS Sailors!

Carpool to Sailing Class! Register on NCS Website!

We strongly encourage families who are participating in our programs to take advantage of carpooling! Consider carpooling with other NCS families to help limit the number of cars and congestion during drop off and pick up, help protect Nantucket's fragile environment by reducing the levels of carbon dioxide omitted into the air and maybe help an NCS family get their sailor to or from camp that might otherwise have to cancel because of scheduling conflict!

Whatever your reason, visit the NCS Registration homepage and [click on the Carpooling Form page](#). You will be requested to enter a password, which is "NCS2022". The password is set up to help ensure that only NCS families are using the Carpool page. Once in, there will be a brief form requesting basic information about yourself, you sailor, the programs & dates they are sailing, where on island you're driving from and whether or not you would be looking for a ride for your sailor or willing to take another sailor in your car. Once your information is entered, you can search the page based on program time, program location, and or whether you are looking for a ride or offering one.

Save the Date! NRW and OHC 50th Anniversary

Nantucket Community Sailing's primary fundraiser, [Nantucket Race Week](#), will be August 13-21, 2022 and includes a full schedule of regattas and social events for youth and adults. The NRW 2022 co-chairs are Sandy Adzick and Carl Jelleme. While we haven't asked for volunteer assistance yet, please know that we will need help, before and during the week, for a myriad of tasks including: delivering gift bags, selling merchandise, social event check-in, providing a bedroom for visiting sailors, and on-the-water race management support.

Most exciting is that this year we are celebrating the 50th Opera House Cup Regatta, with some special events open to everyone:

- Saturday, August 20 – Classic Yacht Exhibition at the Nantucket Boat Basin, where you can go aboard for a close look at some of the most renowned classic wooden yachts in the world.
- Sunday, August 21 – Parade of Wooden Boats and Rainbow Fleet Parade at Brant Point, with a keepsake brochure describing all the boats in the 50th OHC Regatta.

Stay tuned for more information and please email francine@nantucketsailing.org if you'd like to get involved.

Adaptive Sailing Lessons at NCS

Please help us spread the word: NCS will once again offer Wednesday morning Adaptive Sailing Lessons for sailors of all abilities, who are interested in sailing. First-time, as well as experienced sailors, ages 5 and up, are welcome, with a caregiver. NCS aims to accommodate both physical disabilities and intellectual disabilities, as we are able, as well as sailing specifically for individuals on the autism spectrum, and those going through physical or emotional therapy. Thanks to our donors, there will be no cost for these sails. These sails will carry on the wonderful legacy established by Paul Callahan's Nantucket's Sail to Prevail, which no longer operates on Nantucket. Contact NCS Program Director emily@nantucketsailing.org to schedule.

Old Sails - Please Donate

We are once again seeking donations of old sails. Over the years, we've been able to send our old sails to [Sea Bags](#) in Maine as part of a program where NCS tote bags are created in exchange for the used sails. We will be sending another shipment of used sails their way this summer - if you are looking to get rid of some of your old inventory, please drop the sails by the NCS Office!
