Experience

Probably Monsters / Freelance Concept Artist

May 2022 - Present

- Partaking in designing characters for a new AAA IP in development
-

NetEase Games / Character Designer

June 2021 - May 2022

- Created designs & illustrations for multiple IPs with wide range of style
 - Provided additional artwork for character assets, such as design variations, gesture sketches, and turnaround views.
-

Richard Roberts Studio / Concept & Storyboard Artist

September 2020 - October 2021

- Helped develop a look for an advertisement outsourced by Disney
 - Created 2D assets for the video
 - Storyboarded the sequence for the entire project, along with concept art for keyframes
-

Tangent Games / Character Designer

February 2020 - May 2020

- Designed characters for their personal IP for a VR game.
-

Parallax Studios / Concept Art Intern

May 2019 - August 2019

- Designed and illustrated props for a feature film DRIFT.
- Researched a variety of subject matters for multiple projects: interior design, lookbook for characters in both live action and animation, and set dressing for animation and music videos.
- Had experience in working in a live shoot for a music video.
