# July 2019

## Sizzling Summer

Purple  
Room  
The Academy  
Manhattan Beach

Welcome back Purple Room families! We hope you had an exciting and enjoyable summer break and 4th of July! We have a lot of fun things planned for the month of July including water days to cool us off during these warm summer days! Don't forget to pack extra clothes and water bottles for your kiddos!

Our first week back, we will be focusing on beach days! Kiddos will create kite artwork by mixing watercolors together and creating gradients! The kiddos will sequence numbers numerically to complete a puzzle of the beach and determine the length of whales spouting water with blocks! We will also focus on recognizing numerals with a bucket and seashell number matching activity.

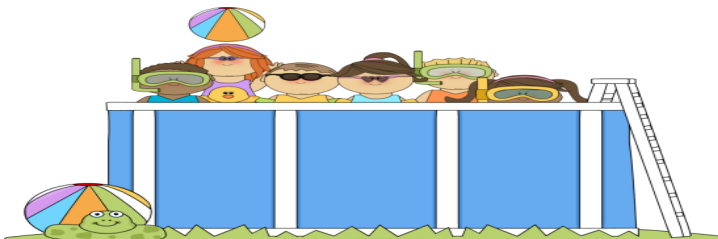

Week two will be all about pirates! The kiddos will make their very own pirate ship by decorating toilet paper rolls! We will also create treasure maps and messages in a bottle as if we were out at sea! The kiddos will also make an exploding treasure chest experimenting with vinegar and baking soda!

The third week of July will be all about oceans! As a class, we will discuss the many different creatures that live under the sea and will use a variety of art mediums to create jellyfish, octopus, pufferfish, crab and seaweed! Kiddos will also write sentences describing sea creatures that live in the ocean!

The last week of July we will be all about treats and picnics! We will have fun creating watermelon, ice cream cone, lemonade and popsicle artwork with colorful materials such as glitter, paint and pom poms! The kiddos will explore with pretend picnic foods and come up with all the various food and snacks they can bring on a picnic!

As a reminder we will be having water days July 12th & 22nd! Please bring your child in a bathing suit ready for a fun filled water day! Please bring a towel, extra change of clothing and don't forget to apply sunscreen!

### Adventures with Kevin

- Emmett 7/8-7/15
- 
- James 7/15-7/22
- 
- Miles 7/22-7/29

### Reminders:
