

# Blue Room Newsletter

September 2019

September is Back to School month! We are excited to meet new Blue Room friends! We are kicking off the school year with learning about "Apples and Pumpkins", "Me and My School", "Fall", and "The Five Senses".

For the first week, the children will gain an understanding of, "Me and My School". The kiddos will be making posters about classroom rules. They will be using stick-ers to demonstrate what each classroom rule means and why it is im-

portant to follow.

During the second week, the kiddos will learn about the five senses and emotions. The kiddoes will explore different scents, textures of materials and matching sounds. We will be having a fruit taste test then using thumbs up or down to show if they like the fruit or not.

The third week, the kiddos will be learning about, "Apples and Pumpkins." For an art project the children will receive a cutout of a big apple. Using shaving cream, they will put drops of food col-

oring and use their fingers to paint the apples. A song we will be listening to this week will be, "I'm a little pumpkin," showing the children's interest in singing simple songs.

For the fourth week, the children will learn about "Fall" including weather change, leaves and acorns. The students will be creating wreaths out of leaves, practicing gluing and pasting objects. We will also be doing an experiment with skittles and warm water to blend colors to get an un-
