Family Night!

Our family night will be on Wednesday March 13 from 5:30-7pm.

****Our LAST day of school for Spring Break is March 29th! We will be off April 1-5.****

Spring is in the air! The days are getting longer which means more fun in the sun. This month is all about Spring!

For the first week in March we are going to be learning all about Spring. Kiddos will make art projects such as wind-socks, finger-print dandelions, and flying kites. They will also be making a rainbow on a piece of construction paper with some paint. At the end of each rainbow, kiddos will attach two cotton balls with glue.

The second week of March will be all about the weather. Kiddos will be given a picture about the

weather and will sound out the first letter of the word and then find the letter under the picture. They will also be counting weather items and circling the number corresponding to the items counted.

Kiddos will then learn about St. Patrick's Day, Easter, and Passover all in one week! They will be making a St. Patrick's Day necklace, Easter thumbprint, hidden bunny and egg pom pom painting. Kiddos will use a variety of materials such as beads, pom pom balls, construction paper and more. They will also be playing a game of

memory for St. Patrick's Day.

As March comes to an end, kiddos will learn all about the wetlands and ponds. They will be working on their fine motor skills and try to stay within the lines as they match numbers with specific colors in order to reveal a beautiful butterfly. They'll also practice writing pond words like "toad" and "lily pad".

There's so much to learn as we jump into Spring!
