*"If I cannot smoke in heaven
then I shall not go"*

-Mark Twain-

Our wine selection has been designed to offer a real sense of joy and excitement whilst you are having a fine dining experience at 99 Sushi Bar & Restaurant. It has been a challenge to match the character of these wines from all around the world with the complex ingredients we utilize in the Japanese cuisine. Therefore, to make this wine list easier, we have grouped the wines by their country and region in order to enable you to make an accurate choice according to your palate.

We serve a wide choice of wines by the glass and Japanese sake by carafe for you to enjoy your meal
We believe you enjoy such selection as much as we have enjoyed choosing them!

"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than possibly, any other purely sensory thing"

-Ernest Hemingway-
