Star of the Week: Marz

Week 4: Grasslands

Letter of the Week: Dd

Star of the Week: Victoria

Star of the week will bring home Timmy the Turtle! Please be sure to take photos of your kiddo and their adventures with Timmy!

Animal Habitats

Welcome back to Blue Room! We hope everyone had a great break and are excited to kick off the new year by learning about animal habitats!

For the first week, we will be learning about desert animals. We will be counting the number of humps on a camel, sequencing the life cycle of lizards, and painting a sunset desert.

For the second week of January, we will be exploring the rainforest/jungle. We will be creating patterns using pipe cleaners and beads to form snakes, making frog

puppets, and handprint gorillas.

The third week will be learning all about polar animas!

We will be making tissue paper igloos, writing letters using ice cubes, and creating a chart compar-

ing similarities and differences between polar bears and brown bears.

For the last week of January, we will be learning all about the grasslands! During this week, we will be counting the number of stripes on pictures of zebras, making spaghetti lions, and practicing grasslands animals yoga!

During enrichment time, we will be focusing on responsibility and taking turns bringing home our classroom "pet", Timmy the Turtle.

Family Fun Ideas

- Go ice skating with the family!
- Visit the zoo to explore animals and their habitats!
- Take a trip to play with the snow!

January Birthdays

HAPPY BIRTHDAY!

Alexa & Marc: 1/8

Marz: 1/28

Victoria: 1/30
