

Our Week in Review: November 5, 2018

Bright Horizons at Spotswood

- Has your child received their flu shot already? Please provide the office with a dated note from the doctor, or an updated immunization record. Please submit to the office by Friday, December 21st.
- We will be hosting our Toward a Better World Food Drive starting today, Friday November 2nd until Friday November 9th. Collection boxes are located outside of your child's classroom. Please check your email for a list of items most in need.
- Mark your calendars for our Fall Festival! We will be hosting the festival November 13th from 4:30-5:15pm. Sign-up sheets are located in the front entry way. One nut-safe dessert is entry to a fun evening filling with music by Mr. Ray, cooking and art activities, and dinner will be served!
- November 16th is Teddy Bear Day! Children can come to school with their favorite Teddy Bear.
- Please ensure the ingredients are listed with all food being sent in from home. We are unable to serve food without original packings and ingredients being given to the front office.
- Tuesday November 20th is Hat Day! Children can wear their favorite hat to school on this day.
- As a friendly reminder and an additional safety measure, children must remain with their parent during pick up and drop off times. Once a child is signed into the classroom by a teacher, they will be in the supervised care of our team. Prior to being signed in and once signed out, children are considered to be under the parent's supervision.

Pictures of the week

Thank you for your food drive donations!

Leaf sensory in infants

Number match game!

- We welcomed the help of Ms. Maureen, Ms. Barbara, Ms. Carolina and Ms. Tameeka from the sub pool this week.
- Please don't forget to check your child's take home folder each day.
- Remember to like us on Facebook at www.facebook.com/BHspotswood. We always update the page and we would love for you to join our online community.
- Please provide at least two sets of weather appropriate clothing, including socks and shoes for your child. All items should be labeled and placed in your child's cubby.
