Education

- ArtCenter College of Design | Pasadena, CA
BS in Product Design, anticipated 2022.04
Including one year of transportation design
2018.01 - Present
- Hongik University | Seoul, South Korea
Studied Transportation Design
2013.03 - 2014.06

Experience

- Waymo LLC | Mountain View, CA
Industrial Design Internship
_ Being brought back by the team, participated in a production program for Waymo Via. Collaborated with designers to sculpt and manufacture hardware, end to end process. Worked directly with vehicle engineers on future of autonomous trucking.
2021.05 - 2021.09
- _ Contributed to Waymo's technology and commercialization by defining the design language of Waymo Driver. Worked directly with CAD modelers for executing details of production project for Waymo Via. Fortunately, took charge of designing a product piece for LaserBear and witnessed the whole production process.
2020.09 - 2020.12
- PopSockets LLC | San Francisco, CA
Industrial Design Internship
Participated in production projects and collaborated with designers on a wide range of working prototypes. The main project was a trick-based toy that required creative scope, and it will be released in 2022.
Prodcuts released so far - Bike mounts, Pocketable grips
2020.01 - 2020.04
- ArtCenter College of Design | Pasadena, CA
Teacher's Assistant
_ Participated in lectures, critiques, and modeling assistant to support Jeffery Jones' advanced Solidworks class.
2019.07 - 2019.08
- _ Guided high school students in a two-month design class. Demonstrated sketching, rendering, and building portfolio.
2021.01 - 2021.04
- Republic of Korea Marine Corps | South Korea
Served two years in Marine Corps, including four months of squad leader position.
2014.10 - 2016.07
