

Discover the Joys of Preschool at Bright Horizons®

Preschoolers are active and enthusiastic learners. At Bright Horizons, our READY for SCHOOL preschool program is filled with investigation, experimentation, and discovery. Through intentional teaching practices, purposefully-designed environments, and enriched activities, teachers ensure preschoolers have joyful, appropriate, and meaningful learning experiences that lead to success in school and in life.

Our *World at Their Fingertips*® curriculum guides children on this journey as they develop school readiness in all areas of learning and social preparedness.
