## SELECT PROJECTS

**Visual Development - The Elf Maiden • Sept. 2021 - Dec. 2021**

**ArtCenter College of Design, Pasadena, CA**

- Visual development project which aimed to revamp a fairy tale
- Collaborated with four team members to create world, characters, and story
- Researched Eastern European cultures that informed character, prop, and environmental designs
- Project output consisted of a concise array of character, prop, vehicle, and environmental designs

**Character Design - Wicked • Oct. 2021 - Dec. 2021**

**ArtCenter College of Design, Pasadena, CA**

- Developed character designs for the musical Wicked
- Worked with two team members and researched specific time periods and styles to inform the character designs
- Helped come up with expressions and poses
- Project output consisted of a lineup of seven characters, five turnarounds, and five expression sheets
