

JUNE 2019

The Academy at Venice

When I Grow Up!

Summer is finally here Orange Room friends! Thank You to all of the parents who continue to support the Orange Room! We Thank you All!

To kick things off this month, the students will dive into the art of dance. As a group we will discover ballet, tap, and modern dance through a variety of gross motor activities. The kiddos will learn what a dance routine is through math games, explore various "dance terms" while writing, and create unique artwork using a variety of materials.

The second week we will be talking about all the thing we love about our dad. We will get to make ties out of construction paper , write poems about our dad's and even get to make them a special father's day gift, but shh! It's a surprise!

The third week we will be talking about transportation! The students will use cars, trains, and other modes of transportation for centers. They will measure train tracks, fly paper airplanes through shapes, and pretend to fish while on boats.

Lastly, we will get to explore camping and fishing! We will make glow in the dark jars, paint with marshmallows, and get to make and tastes s'mores.

Don't forget, CHALK Preschool is taking a quick 1-week summer break to allow families to spend time together! School will be closed from July 1st-July 7th! Have a fun and safe 4th of July!
