

Calendar 2015

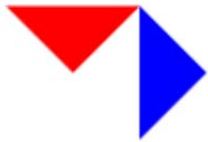

January	
6	MatRIC Coordinator meeting. Plans for 2015
8	Pre meeting with Tom Lindstrøm and UHR regarding putting together an editorial group with Tom Lindstrøm as a leader to make a national digital resource.
13	MatRIC Coordinator meeting. Plans for 2015. Discussing Modelling and simulation workshop
16	MB og LM meeting with Nora Clarke regarding joint event within digital assessment with Norgesuniversitetet and Uninett
16	SG meeting within the KD Realfag committee.
19	MB meeting with Tore Næss, teacher for the multimedia students. They will produce mathematical videos to inspire future students.
19-20	SG Essen Seminar
22	SG presentation at Høgskolen i Østfold, Faculty of Engineering seminar, in Strømstad
	Meetings and activities to find coordinators for Mathematics Support Centre, graduate School and course for newly employed teachers at university level Mathematics
23	First meeting with the UHR/MatRIC editorial group in the project "digital resource"
27	MatRIC Mathematics teachers lunch at campus Kristiansand: "How do you teach mathematics".
28	First meeting with the web developers regarding the pre project for phase two of matric.no
29	Interviews for the positions as project developers for the mathematics support centres at campus Grimstad and Campus Kristiansand.
February	
1	Annual report to NOKUT, sent
4	MatRIC seminar at campus Kristiansand: Presentation of the e-learning platform for teaching Pre-Calculus, Calculus, Linear Algebra and Statistics (Marc Habbema/SOWISO)

6	MatRIC coordinators meeting: planning of the modelling and simulation workshop.
13	SG meets with Tony Croft and Janette Matthews to discuss MatRICs use of material Loughborough University has produced for a MOOC to support students transition from upper secondary school to university.
16	Skype meeting with NSMO to discuss November conference.
17	MatRIC presentation for a Crete delegation
17	MatRIC Mathematics teachers lunch at campus Kristiansand: "How do you teach mathematics".
18	MatRIC Mathematics teachers lunch at campus Grimstad "How do you teach mathematics".
23	Second meeting within the UHR/MatRIC editorial group "digital resource"
24	Meeting between UHR – Mette Mo Jacobsen, NOKUT and LEM regarding "studiebarometeret og matematikkundersøkelsen". Can these be coordinated?
27	Announce new round of MatRICresearch grants
March	
3	Mathematics teachers lunch nr 2 in Grimstad
1-4	SG and Frode Rønning study trip to Paderborn, Germany to meet Rolf Biehler 's group
5	SG and LEM meet and introduce MatRIC to Forum for Lærerutdanning
10	SG and LEM to the Ministry of Education and research to tell about MatRIC.
11	Open Day at UiA. Inspire future students. PHH and LEM give a presentation to possible future students.
13	MatRIC Board meeting Kristiansand
17	MatRIC Mathematics teachers lunch at campus Kristiansand: "How do you teach mathematics".
18-19	MNT conference in Bergen. MB runs a workshop. MatRIC is present.
19	Presentation of MatRIC to a delegation from Adam Mickiewicz University in Poznan led by Prof. Jacek Witkos
24	Third meeting within the UHR/MatRIC editorial group "digital resource"
25	Interview with NIFU. NIFU is hired by NOKUT to look at the effects of the SFUs. SG, LEM,FR, MAN og BM was interviewd.
26	Transitions in Undergraduate Mathematics Education at the University of Birmingham, UK. Yuriy Rogovchenko and Svitlana Rogovchenko attend

	seminar.
26	Meeting with SOWISO regarding contract for MB to start using their digital assessment programme.
26	Meetings with the Institute leaders at Campus Grimstad regarding the support centre. They will help with the staff for this.
26	First planning meeting for the Video Workshop that will be held in Tromsø 14-16 October with our contact person in Tromsø
April	
7	MatRIC coordinators meeting
8	SG and LEM attended information meeting regarding INTPART that MatRIC will apply for.
9	Meeting with Head for “fadderstyret” og NITO representative to discuss some joint activities with them and MatRIC, the support Centre and the marketing of MatRIC and especially the Support Centre.
9	Mathematical teachers lunch nr 3 in Grimstad
10	SG Presentation at NORAD seminar – evidence based development
11-15	Visit from one of the MatRIC PHD candidates that will start in August.
14	SB, YR, OV and coming PHD candidate John Liakos visit UiB to conduct pilot study for mathematical biology modelling research.
17	MatRIC Mathematics teachers’ lunch at campus Kristiansand: “How do you teach mathematics”.
17	SG and Svitlana Rogovchenko meet to discuss Mathematics Teaching induction course.
?	SFU magazine nr 1 2015 published
?	First gathering: ‘graduate school’ for PhD fellows, their supervisors and post-doctoral researchers. This activity is postponed, MatRIC is part of a proposal for Research school.
18-22	IMA-MEE conference Loughborough. MB, OV, FR and SG make contributions.
21	Meeting with the web developers to discuss the contract for Phase two of matric.no. RUDE AS won the bid and will continue developing matric.no

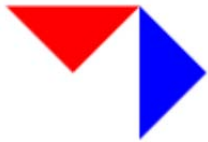

23	Svitlana Rogovchenko, project developer for the support Centre in Grimstad, visited NTNU to plan and discuss the teacher course.
23	OV presented MatRIC in RME (research in mathematics education)-gruppen vid UEA (University of East Anglia) i Norwich.
23-24	Visit to the IMFUFA (and Prof. Mogens Niss), The Department of Science, Systems and Models Roskilde University, Denmark. YR.
May	
4	LEM attends meeting with Grimstad Kommune.
7	SG, FR, SR and SR meet (Adobe connect) to discuss mathematics teaching induction course.
8	Meeting with matric.no phase 2 web designers
11, 12	ABF fact-finding visits to four mathematics support centres in Dublin
12	SG and SR meet to discuss induction course.
19-20	NOKUT conference Bergen. SG gives a presentation.
26-29	Modeling and simulation workshop in Grimstad and Kristiansand
29	IAB meets with MatRIC coordinators and project developers.
29	SR to 9th Annual Irish Workshop on Mathematics Learning Support (to be confirmed)
June	
1-3	Digital assessment colloquium with Chris Sangwin and other international guests. In Bergen
8	MatRIC Board meeting Kristiansand
8-12	UHR/MatRIC video group recording videos in the studio at Campus Grimstad
18	MatRIC PHD Ninni Marie Hogstad presents her Research for a group at NTNU and NMBU at NTNU (Invitation following MatRIC modeling event in May).
24-26	Yuriy Rogovchenko will also be attending as an observer "Student Mathematical Modelling Workshop" in Limerick, Republic of Ireland
24-27	MatRIC PhD Ninni Marie Hogstad attends ICTMT12 « 12th International Conference

	on Technology in Mathematics Teaching» presents her research with a poster”.
July	
19-24	Participation at the ICTMA17 Conference: Modelling perspectives: looking in and across boundaries, Nottingham, UK. YR, OV.
August	
5	Matric.no meeting with web developers. Draft of video portal and matric.drop in
8	Information meeting about matric drop in for all the “faddere” in Grimstad and Kristiansand (MB and SG)
10	MatRIC drop in open in Grimstad and Kristiansand during the “fadderrunde”. The new students will visit the centre and be aware of its existence.
10-11	Janette Matthews visits and work with MB about the MOOC from Loughborough University.
10-14	UHR/MatRIC video group recording videos in the studio at Campus Grimstad
12	Planning meeting for "How to study/learn mathematics". Seminars for students in cooperation with MatRIC drop in.
14	MatRIC lunch and discussion meeting. Meeting with the Department of Mathematical Sciences to discuss MatRIC drop in and MatRIC plans in general.
17-18	Mathematical Support Centre. Seminars with Tony Croft at Campus Grimstad and Campus Kristiansand.
20	Meeting with the web developers. Focus on MatRIC drop in.
13-19	METMAS Brno University of Technology MatRIC collaboration in a Norway grant project. The project was launched at UiA, Kristiansand on 14 August 2015.
?	Second gathering: ‘graduate school’ for PhD fellows, their supervisors and post-doctoral researchers This activity is postponed, MatRIC is part of a proposal for a Research school.
28	LM attends editorial Meeting at NOKUT for the SFU magazine
31	Mathematics support Centres open in Kristiansand and Grimstad
September	
1	A course for new university level mathematics teachers and teaching assistants. Invitation sent out nationally

9	FINNUT proposal deadline – A MatRIC inspired proposal led by Professor John Monaghan submitted
11	MatRIC ‘Open Lecture’ Inspirational lecture for students, pupils and teachers (Jmf Jo Røislien), Håvard Tjora. At Campus Grimstad and Campus Kristiansand.
11	Mathematical teachers’ lunch nr 4 in Grimstad, Facebook in teaching
15-18	The Centre visit with MEC, Loughborough
21	Meeting with the Web developers. New launch of website 9 October
21	“How to study mathematics”, a seminar/workshop for students at drop in Kristiansand
22	“How to study mathematics”, a seminar/workshop for students at drop in Grimstad
25	bioCEED – MatRIC collaboration. Meeting Bergen. (YR, OV, IL, SG)
October	
2	bioCEED – MatRIC collaboration. Meeting Bergen. (YR, OV, IL, SG)
7	MatRIC Mathematics teachers’ lunch at campus Kristiansand: “How do you teach mathematics”.
9	MatRIC Board meeting
9	Induction course group leaders meeting
14-16	Video/digital assessment workshop. In Tromsø.
20	Seminar at UiA campus Kristiansand by Carl Winsløw Professor of Mathematics Education at Copenhagen University.
30	bioCEED – MatRIC collaboration. Meeting Bergen. (YR, OV, IL, SG)
November	
4-5	NOKUT – SFU conference
6	bioCEED – MatRIC collaboration. Meeting Bergen. (YR, OV, IL, SG)
16-17	NOKUT visits MatRIC.
23-24	First gathering in the Induction course held at NTNU
25-27	The Annual conference. In Trondheim and in collaboration with NSMO.
27	Joint meeting MatRIC Management Board & International Advisory Board in

	Trondheim.
December	
1-4	Didactics of Mathematics in Higher Education as a Scientific Discipline Invitation Conference Hannover (SG, OV, & FR have been invited)
8-10	MatRIC-METMAS seminar in Brno.
