

House Partnership Meeting was held on Monday, December 2nd, 2019

Meeting was held in house (Treehouse Movement Matters Room, 11:00 am-12:00 pm)

Welcome- Gregory Figueroa, Executive Director

- Thanked those in attendance for coming

Illness Notification

- Illness Notifications will be sent via My Bright Day app
- Please note the importance of notifying the center in regards to keeping a healthy and safe environment for the children.
 - This includes notifying the center in a timely manner in order to get a deep clean processed with our cleaning partner ABM
 - Please note: if your child is diagnosed with a communicable disease, it is your responsibility to notify the center. It is at your discretion whether you share the illness name with us.
 - We do not go on hear-say; we only send out notifications if a parent has informed the center that their child has been diagnosed with a communicable disease by a medical professional.

House Keeping Items

- *Handwashing*
 - Please continue to wash hands when entering all classrooms!
- *Siblings in classrooms*
 - Soft Reminder: For the safety of the children, please do not leave your children unsupervised in the hallways. If you have an infant and an older child, please pick up the infant first.
- *Parking Lot Etiquette*
 - Please remember to turn your ignition off when picking up or dropping children off
 - Don't forget carpool ends at 5:30pm starting Monday, 12-2-19 due to early sundown

- During morning carpool be sure to have children dressed and ready to be taken inside to help with the flow of carpool
 - This includes shoes, socks, etc.
- Thank you for your partnership and helping us stay in compliance!

Parent Representative Role

- Description sheet was handed out during meeting
- This resource is also on our center website under the “For Our Parents” tab

2020 Annual Parent Calendar

- We are currently finalizing the 2020 calendar

All Parent Meeting

- January 6th
- This is going to be an opportunity for parents to come, ask question, and receive answers on topics we like to call “big ticket” items. For those newer families this is an opportunity to gain all of the insight about JCCC and what is happening with center events throughout the year if you have had some question marks floating around.
- Location still TBD, as soon as we have that information it will be distributed

Questions?

Where are the illness notification sent?

-The illness notification is house specific, for example if your child has been diagnosed with something in the treehouse only those parents in the treehouse will be notified. All illness notifications will be sent through the My Bright Day app.

Would it be possible to have a conference call and alternate some of the face to face meetings?

-Thank you for your feedback that is something worth looking into. We definitely have to look at all of our avenues and see what we can do to procure parent interaction during these meetings. We understand schedules are tight and it is hard to make it to the center during the day.
