MEALS

- ▶ Nutritious snacks including fruit or vegetable, water and milk provided daily.

SECURITY FEATURES

- ▶ Secure entryways with keypad access for parents and guardians
- ▶ Extensive evacuation policies and procedures

TO REGISTER

Registration is easily done online. Keep an eye out for an email with a link to complete your child's registration. This link will take you to our secure Family Information Center Website, where you can set up your family's account and register your child(ren) for up to three centers. Shortly after we receive your registration, you will get a confirmation email that includes important information about next steps in the enrollment process, space availability, and enrollment offers. Please remember, your registration date is important as it is the date used to determine enrollment priority.
