## Solo

- The new Junior Driver Program (JDP).

*"The 2018 Junior Driver Program (JDP) is focused in four areas: course standards, driver instruction, kart rules/inspection and event operation. The training programs and materials will aim to educate Region officials on JDP best practices and procedures. The completion of this training will result in the issuance of licenses to Solo event officials that will certify Regions to be sanctioned to operate a JDP at their Solo events."*

- Solo Safety Steward Training Seminar (classroom). Attending a Solo Safety Steward Seminar is required as the first phase of obtaining a Solo Safety Steward License and is also required a continuing education for Solo Safety Steward License renewals.

**Tech** - Our day-long training session is intended for licensed scrutineers and others interested in the specialty. This is an opportunity to learn more about how scrutineers prepare for race events, and what to do to make a race weekend smooth, successful, and fun. We will prepare for the upcoming season by:

- Reviewing rules, changes, and updates that have been made to the GCR and the CEN-DIV Regional Championship Rules
- Finalizing staffing assignments for races within the Division
- Sharing the experience and expertise from the entire tech team on what we have learned last season and at previous events.
- Conducting hands-on training using region and division tools.
- Learning how to handle difficult situations involving drivers, crew, and other officials
- Exchanging compliance ideas to be covered in tech plans

## Jeff Luckritz Presentation (Sunday, open to everyone)

### **If you plan to attend, please indicate that on the Sunday sessions list**

Leadership: Our volunteers and participants are our most important assets of the club. Learn how to be a positive leader and create a great culture in all your club activities. Ideal for Stewards, REs, and program chairs.
