

Join Us for a Summer Full of Adventure

Through Camp Explorations at **Bright Horizons®**, your child will have the opportunity to enjoy everything summer has to offer. During action-packed days, your child will experiment with science and technology, engage in the creative arts, discover nature, and explore the world. With experienced teachers, a curriculum based on each child's interests, engaging projects and activities, special visitors, and more, summer will be fun and educational at the same time.
