Experience

09.2022–12.2022

Art Center College of Design, TDS Course SAFE NIÑOS

Continued with the development of the first Episode including refining the storyboard, refining characters, adding new elements such as dancing move design, etc.

09.2022

Coaniquem Campus in Chile for TDS Course SAFE NIÑOS

Prepared to continue developing for Coaniquem for the first episode. The whole class went to Coaniquem Campus with teachers to understand more about their country and brand culture.

01.2022–04.2022

Art Center College of Design, TDS Course SAFE NIÑOS

Developed a world development including characters, different worlds, and a simple storyline with professors and classmates.

01.2022–04.2022

Art Center College of Design, Teaching Assistant

Assisted Professor Damian Szeibert in giving feedback to students in his Zbrush class. And organized class notes for each class and emailed them to both the professor and students.

05.2021–07.2021

Freelancer, Logo Design for Tall View Art

Created a Logo for an art institute called Tall View.

Brought their teaching idea and meaning into the logo.

03.2021–09.2022

Art Instructor for US Arts

Taught kids ages 12 to 18 about different drawing techniques and styles.

10.2019–12.2022

Computer Lab Assistant

Assisted Computer Lab teachers with their work.
