

2017 SUMMARY OF NEW LAWS

STATE SENATOR
RYAN MISHLER

SENATE DISTRICT 9

**FIRST REGULAR SESSION OF THE
120TH INDIANA GENERAL ASSEMBLY
2017**

SUMMARY OF NEW LAWS

**PREPARED BY THE SENATE MAJORITY COMMUNICATIONS
OFFICE WITH ASSISTANCE FROM THE SENATE MAJORITY
ATTORNEY'S OFFICE**

PREFACE

This document is a comprehensive summary of the laws passed by the 2017 Indiana General Assembly. It includes 272 bills (133 Senate Bills and 139 House Bills) passed during the Legislative Session completed on April 22, 2017. One bill (HEA 1523) was subsequently vetoed by the Governor.

The full digest of each passed bill is listed in numerical order in the first section of the document, followed by a table showing all author/sponsor information as well as committee and floor vote totals.

The addendum at the back includes information on the General Assembly's 2017 actions regarding the two bills vetoed in 2016, a listing of 2017 passed bills by the Senate Committees in which they were heard, and public law/bill number conversion charts.

For further information concerning 2017 new laws, please contact either the Senate Majority Attorney's Office at (317) 232-9415 or the Legislative Information Center of the Legislative Services Agency at (317) 232-9856. You can also visit the Indiana General Assembly home page at iga.in.gov.

Removes the following renewal application requirements: (1) E-liquids production outputs. (2) Security certifications. (3) Consent for the ATC to conduct inspections. (4) Any other information required by the ATC. Removes language concerning security protocol confidentiality. Removes specific requirements concerning remotely monitored security systems. Removes the following requirements regarding a manufacturer: (1) Keeping sample bottles from each batch of e-liquids produced. (2) Ensuring that e-liquid ingredients are stored in a secure area. (3) Ensuring that authorized personnel only have certain secured access. Provides that the ATC shall cover the cost of criminal history background checks. Removes e-liquid ingredient restrictions. Requires a manufacturer to submit a list of ingredients used in the manufacturer's eliquid production to the ATC. Provides that "e-liquid" is a substance that may or may not contain nicotine and that it is intended to be vaporized and inhaled using a vapor product. Provides that a retailer who: (1) knowingly or intentionally sells e-liquid to a minor; or (2) fails to verify the age of a person less than 27 years of age and sells the person e-liquid commits a Class C infraction. Provides that a person who knowingly or intentionally makes a delivery sale of e-liquids to a minor commits a Class C infraction. Provides that a person who knowingly or intentionally ships e-liquids without first making a good faith effort to verify the age of the purchaser of the eliquids commits a Class C infraction. Provides that the federal Food and Drug Administration (FDA) has sole jurisdiction to enforce a manufacturer's compliance with certain federal laws. Provides that e-liquids manufacturer permit fees be deposited in the enforcement and administration fund of the ATC. Provides that e-liquids manufactured by an e-liquids manufacturer approved by the ATC before July 1, 2017, may be distributed and sold for retail until the expiration date of the e-liquids. Provides that certain rules relating to the manufacture, distribution, and sale of e-liquids are void. Provides that flavoring may be added to e-liquids only if the flavoring has not been prohibited by the FDA. Prohibits a manufacturer named on a permit from having certain convictions. Provides certain restrictions and procedures for manufacturers, distributors, and retailers. Repeals the ATC's rulemaking authority concerning e-liquids. Adds requirements for retailers who sell e-liquids through a delivery sale.

Joint agency matters. Makes the following changes to the statute concerning joint agencies formed by municipalities for the purpose of undertaking the planning, financing, ownership, and operation of certain projects to supply electric power for present or future energy needs: (1) Eliminates the requirements that for purposes of the statute, a municipality must be located in Indiana. (2) Specifies that a joint agency is considered a governmental entity for purposes of the statute governing tort claims against governmental entities and public employees. (3) Provides that a person may not serve as a commissioner on the board of commissioners of a joint agency on behalf of more than one municipality at the same time. (4) Provides that a contract for the sale or purchase of power and other services from a joint agency may extend for an initial period not exceeding 50 years from the date service is estimated to be first rendered, with additional periods as may be agreed upon by the parties. (Current law provides for a 50 year time limit for any such contract.) (5) Allows a joint agency to contract for, advance, or contribute funds to a joint agency or any member of a joint agency. (Current law provides that only a member of a joint agency may contract for, advance, or contribute funds to a joint agency.) (6) Specifies that a municipality or joint agency may contract for certain projects with respect to distribution facilities (as well as generation and transmission facilities, as provided under current law).

(2) Amends the definition of "utility pole" to: (A) mean a structure that is designed or used for certain specified purposes (versus existing statutory language defining the term to mean a structure that is designed and used for those specified purposes); and (B) include structures designed or used to provide traffic control or signage. (3) Amends the definition of "wireless support structure" to include structures that are capable of supporting (in addition to those designed to support) wireless facilities. (4) Defines the following terms: (A) "Communications service provider". (B) "Micro wireless facility". (C) "Wireless communications service". (5) Prohibits a permit authority from requiring an application or a permit for, or charging fees for: (A) the routine maintenance of wireless facilities; (B) the replacement of wireless facilities with others that are: (i) substantially similar to; or (ii) the same size or smaller than; those being replaced; or (C) the installation, placement, maintenance, or replacement of micro wireless facilities that are suspended on cables strung between existing utility poles in compliance with applicable codes. (6) Provides that with respect to the construction, placement, or use of small cell facilities and associated supporting structures, a permit authority may prohibit the placement of a new utility pole or wireless support structure in a right-of-way within an area that is designated before May 1, 2017, strictly for underground or buried utilities, if certain conditions are met. (7) Requires a permit authority to allow a neighborhood association or homeowners association to register with the permit authority to receive notice by United States mail of any application filed with the permit authority for the construction, placement, or use of a small cell facility on one or more new utility poles or one or more new wireless support structures in an area within the jurisdiction of the neighborhood association or homeowners association. (8) Provides that with respect to the permitting of small cell facilities and associated supporting structures within: (A) a historic preservation district; (B) a historic preservation area; or (C) an area within the jurisdiction of the Meridian Street preservation commission; a permit authority may apply any generally applicable procedures that require applicants to obtain a certificate of appropriateness. (9) Specifies that an applicant for the placement of a small cell facility and an associated supporting structure shall comply with applicable Federal Communications Commission (FCC) requirements and industry standards for identifying the owner's name and contact information. (10) Provides that the placement of a small cell facility and an associated supporting structure in the public right-of-way is considered a permitted use and is exempt from local zoning review if the height of the supporting structure does not exceed the greater of: (A) 50 feet measured from grade; or (B) the height of any utility pole in place on July 1, 2017, and within 500 feet of the proposed small cell facility, plus 10 feet. (11) Sets forth limits for application fees for a permit for the construction, placement, or use of small cell facilities. (12) Allows a permit authority to propose, as an alternative location for a proposed small cell facility at a location where a supporting structure does not exist, that the small cell facility be collocated on an existing utility pole or wireless support structure if the existing utility pole or wireless support structure is located within 50 feet of the location proposed in the application. (13) Provides that for an application for the construction, placement, or use of a small cell facility and the associated supporting structure, a permit authority has 60 days to approve or deny the application but shall otherwise follow the application procedures that apply to collocation permit applications under the statute. (14) Prohibits a permit authority from taking certain specified actions with respect to the construction, placement, or use of small cell facilities and the associated supporting structures. (15) Specifies that a permit authority is not prohibited from applying a reasonable and generally applicable safety regulation to the construction, placement, or use of small cell facilities and associated supporting structures in the public right-of-way. (16) With respect to the construction, placement, or use of small cell facilities on a utility pole owned or controlled by a governmental unit, sets forth certain requirements with which the unit must comply and certain actions that the unit is prohibited from taking, including a prohibition against the unit or a utility owned by the unit imposing a rental or other recurring fee for small cell facilities that are strung or located between utility poles if one or more of the utility poles has an associated attachment for which a rental rate is charged. (17) Provides

that a unit may impose additional terms and conditions for the construction, placement, or use of small cell facilities on utility poles owned or controlled by the unit if the terms and conditions are: (A) consistent with the bill's requirements; (B) reasonable; (C) nondiscriminatory; and (D) generally applicable. (18) Specifies that the bill's provisions do not: (A) authorize the collocation of small cell facilities on privately owned utility poles, wireless support structures, or property without the consent of the property owner; (B) affect the duty of an entity seeking to place a small cell facility on a utility pole or wireless support structure owned, controlled, or operated by a public utility to obtain from the utility any necessary authority for the placement; or (C) affect the authority of a public utility that owns, controls, or operates a utility pole or wireless support structure with respect to the use of or attachment to the utility pole or wireless support structure, consistent with federal law and FCC decisions and rules.

Distributed generation. Requires: (1) the utility regulatory commission (IURC) to post a summary of the results of the IURC's most recent periodic review of the basic rates and charges of an electricity supplier on the IURC's Internet web site; and (2) the electricity supplier subject to the review to provide a link on the electricity supplier's Internet web site to the IURC's posted summary. Amends the statute concerning alternate energy production, cogeneration, and small hydro facilities to: (1) include in the definition of a "private generation project" certain cogeneration facilities that: (A) are located on the same site as the host operation; or (B) are located on or contiguous to the site of the host operation and are directly integrated with the host operation; and (2) include organic waste biomass facilities within the definition of an "alternative energy production facility". Specifies that an electric utility or a steam utility is not required to distribute, transmit, deliver, or wheel electricity from a private generation project. Requires the IURC to: (1) review the rates charged by electric utilities for backup power to eligible facilities and for purchases of power from eligible facilities; (2) identify the extent to which the rates meet specified criteria; and (3) report the IURC's findings to the interim study committee on energy, utilities, and telecommunications; not later than November 1, 2018. Provides that before granting to an electricity supplier that is a public utility a certificate of public convenience and necessity for the construction of an electric facility with a generating capacity of more than 80 megawatts, the utility regulatory commission (IURC) must find that the electricity supplier allowed or will allow third parties to submit firm and binding bids for the construction of the proposed facility. Provides that a public utility that: (1) installs a wind, a solar, or an organic waste biomass project with a nameplate capacity of not more than 50,000 kilowatts; and (2) uses for the project a contractor that is: (A) subject to Indiana unemployment taxes; and (B) selected by the public utility through a competitive procurement process; is not required to obtain a certificate of public convenience and necessity for the project from the IURC. Provides that a net metering tariff of an electricity supplier (other than a municipally owned utility or a rural electric membership corporation) must remain available to the electricity supplier's customers until: (1) the aggregate amount of net metering facility nameplate capacity under the tariff equals at least 1.5% of the electricity supplier's most recent summer peak load; or (2) July 1, 2022; whichever occurs earlier. Requires the IURC to amend its net metering rule, and an electricity supplier to amend its net metering tariff, to: (1) increase the limit on the aggregate amount of net metering capacity under the tariff to 1.5% of the electricity supplier's most recent summer peak load; and (2) reserve 40% of the capacity under the tariff for residential customers and 15% of the capacity for customers that install an organic waste biomass facility. Provides that a customer that installs a net metering facility on the customer's premises after December 31, 2017, and before the date on which the net metering tariff of the customer's electricity supplier terminates under the bill, shall continue to be served under the net metering tariff until: (1) the customer removes from the customer's premises or replaces the net metering facility; or (2) July 1, 2032; whichever occurs earlier. Provides that a successor in interest to the premises on which a net metering facility was installed during the applicable period may, if the successor in interest chooses, be served under the terms and conditions of the net metering tariff of the electricity supplier serving the premises until: (1) the net metering facility is removed from the premises or is replaced; or (2) July 1, 2032; whichever occurs earlier. Provides that a customer that installs a net metering facility on the customer's premises before January 1, 2018, and that is participating in an electricity supplier's net metering tariff on December 31, 2017, shall continue to be served under the terms and conditions of the net metering tariff until: (1) the customer removes from the customer's premises or replaces the net metering facility; or (2) July 1, 2047; whichever occurs earlier. Provides that a successor in interest to the premises on which a net metering facility was installed before January 1, 2018, may, if the successor in interest chooses, be served under the terms and conditions of the net metering tariff of the electricity supplier serving the premises until: (1) the net metering facility is removed from the premises or is replaced; or (2) July 1, 2047; whichever occurs earlier. Provides that an electricity supplier shall procure only the excess distributed generation produced by a customer. Provides that the rate for excess distributed generation procured by an electricity supplier must equal the product of: (1) the average marginal price of electricity paid by the electricity supplier during the most recent calendar year; multiplied by (2) 1.25. Provides that an electricity supplier shall compensate a customer for excess distributed generation through a credit on the customer's monthly bill. Provides that the IURC may approve an electricity supplier's request to recover energy delivery costs from customers producing distributed generation if the IURC finds that the request: (1) is reasonable; and (2) does not result in a double recovery of energy delivery costs from customers producing distributed generation. Urges the legislative council to assign to the interim study committee on energy, utilities, and telecommunications the topic of self-generation of electricity by school corporations.

Specifies the information that must be included in a design information notice. Provides that not more than two design information notices for the same project and from the same person or source may be submitted in any given 180 day period. Requires the association, upon

receiving a design information notice, to: (1) notify each utility operator that has underground facilities located in the affected project area; and (2) provide the person serving the design information notice a list of the identified operators. Requires an operator, upon receiving notice of a submitted design information notice, to contact the person serving the design information notice within 10 days and do one or more of the following: (1) Provide a description of, and location information for, the operator's underground facilities in the affected project area. (2) Allow the person serving the design information notice to inspect, at a location acceptable to the operator, drawings or other records for the operator's underground facilities in the affected project area. (3) Designate with temporary facility markers the location of the operator's underground facilities within the affected project area. Allows an operator to reject a design information notice: (1) based on security considerations; or (2) if producing the required description of, or location information for, the operator's affected underground facilities would place the operator at a competitive disadvantage; pending the operator's verification of the legitimacy of the design information notice. Provides that the submission of a design information notice does not relieve a person responsible for the excavation or demolition operation involved in the project from providing the notice required under the law before commencing the excavation or demolition operation. Removes a provision in the statute that requires a county recorder who receives an inquiry from a person seeking to provide the required notice of an excavation or demolition to refer the person to the association.

Utility easements. Establishes a framework for resolving disputes between electricity suppliers and property owners regarding the attachment or installation of communications infrastructure within an electric easement. Provides that the procedures apply only to an electricity supplier that is a rural electric membership corporation. Provides specified exemptions from the procedures. Specifies that the bill's provisions provide the exclusive remedy to a property owner with respect to the attachment or installation of communications infrastructure on above ground electric facilities within an electric easement. Specifies that the bill's provisions do not provide the exclusive remedy to a property owner if the terms of: (1) the electric easement; or (2) any contractual or other agreement between the property owner and the electricity supplier; provide otherwise. Requires an electricity supplier that: (1) installs new communications infrastructure; or (2) makes capacity available for communications service through existing communications infrastructure; within an electric easement to provide written notice by first class mail to the owner of the affected property. Sets forth the required contents of the notice, including a written plan for making broadband Internet service available within the electricity supplier's electric service territory. Specifies that the failure of an electricity supplier to take any action described in, or related to, the plan does not create any liability with respect to the electricity supplier. Requires an electricity supplier to include provisions in a communications service member agreement, customer agreement, or other similar agreement to notify property owners who subscribe to communications service from the electricity supplier that by signing the agreement, the property owner consents to the expansion of the electric easement to include the attachment or installation of communications infrastructure. Provides that a property owner may bring a cause of action against an electricity supplier for damages for a decrease in value of the property owner's real property caused by the attachment or installation of communications infrastructure, not later than two years from the later of: (1) July 1, 2017; or (2) the date upon which the required notice is delivered to the property owner. Provides that to prove damages for the decrease in value of the property owner's real property, the property owner shall provide the electricity supplier with an appraisal comparing the value of the property before and after the attachment or installation of communications infrastructure within the easement. Provides that an appraisal obtained by a property owner to prove damages relating to the decrease in the value of the property owner's real property caused by the attachment or installation of communications infrastructure must take into account any increase in value to the property resulting from the availability of broadband Internet service provided through the communications infrastructure. Provides that the acceptance by a property owner of an electricity supplier's payment for damages operates to modify the electric

easement to allow for the installation, servicing, maintenance, and use of communications infrastructure within the easement. Provides that when installing, inspecting, or maintaining communications infrastructure within an electric easement involving land on which a manufacturing facility is located, an electricity supplier shall make a reasonable, good faith effort to notify the property owner. Requires an electricity supplier to comply with all applicable rules and standards included in the National Electric Safety Code most recently adopted by the state. Requires an electricity supplier that uses the procedures set forth in the bill to: (1) form a separate legal entity; or (2) maintain a separate accounting system; with respect to the provision of broadband Internet service made available by the electricity supplier, alone or with one or more other legal entities, within all or part of the electricity supplier's electric service territory. Provides that the entity providing broadband Internet service shall cause to be performed an annual audit of the entity's financial records concerning only the provision of broadband Internet service by the entity. Urges the legislative council to assign to the interim study committee on energy, utilities, and telecommunications the topic of rental rates and other fees for the attachment of communications service facilities on utility poles owned or controlled by electricity suppliers.

Establishes the fiscal management board for the Gary Community School Corporation, and provides that the fiscal management board shall make recommendations to the emergency manager and shall advise the emergency manager as requested by the emergency manager. Requires the emergency manager for the Gary Community School Corporation to employ a chief financial officer and chief academic officer for the school corporation. Specifies that the chief financial officer shall report to the emergency manager and shall assist the emergency manager and the fiscal management board in carrying out the day to day financial operations of the

school corporation. Specifies that the chief academic officer shall report to the emergency manager and shall assist the emergency manager and the fiscal management board in carrying out the academic matters of the school corporation. Authorizes the DUAB to do the following concerning the Gary Community School Corporation: (1) Delay or suspend any payments of principal or interest, or both, that would otherwise be due from the school corporation on loans or advances from the common school fund. (2) Recommend to the state board of finance that the state board of finance make an interest free loan to the school corporation from the common school fund. (3) Establish benchmarks of financial improvement. (4) Provide grants to the school corporation, from funds appropriated to the DUAB, to assist the school corporation in overcoming short term financial problems. (5) Make a recommendation to the general assembly concerning the possible restructuring of advances made to the school corporation from the common school fund, including forgiveness of principal and interest on those advances. Requires the emergency manager to do the following: (1) Attempt to negotiate with the creditors of the school corporation to establish a plan specifying the schedule for paying each creditor. (2) Submit the plan to the DUAB for approval. Provides that the emergency manager must consult with the governing body of the school corporation, the fiscal management board, and the mayor of the city of Gary in developing the school corporation's annual budget, and that the DUAB must review and approve the school corporation's annual budget. Provides that the annual budget adopted by the emergency manager for the school corporation must dedicate a significant part of the school corporation's budget to eliminating the school corporation's debt obligations. Requires the emergency manager appointed for the Gary Community School Corporation to provide written notice to the mayor of the city of Gary at least 30 days before selling assets or transferring property, and specifies that if the mayor notifies the emergency manager of any concerns or objections regarding the proposed sale or transfer, the emergency manager must confer with the mayor regarding those concerns or objections. Provides that during the period after the effective date of the bill and before an emergency manager is appointed: (1) the financial specialist appointed for the Gary Community School Corporation may identify and implement labor force reductions, including contract cancellations due to a reduction in force; and (2) the governing body may not enter into or renew any contract unless that contract or contract renewal is first approved by the DUAB. Designates the Muncie Community Schools as a fiscally impaired school corporation. Specifies that the Muncie Community Schools' designation as a fiscally impaired school corporation is not a designation as a distressed political subdivision, and provides that the school corporation's designation as a fiscally impaired school corporation terminates on January 1, 2018. Requires the DUAB to appoint an emergency manager for the school corporation. Provides that the DUAB may immediately appoint the superintendent of the school corporation as the emergency manager for the school corporation on a temporary basis, and that this temporary appointment may continue for not more than six months. Provides that notwithstanding the powers, authority, and responsibilities otherwise granted to an emergency manager under the distressed political subdivision law, the emergency manager appointed for the Muncie Community Schools has only certain specified powers and duties while the school corporation is designated as a fiscally impaired school corporation. Provides that the emergency manager may on behalf of the school corporation negotiate and enter into labor contracts and collective bargaining agreements. Requires the emergency manager for the Muncie Community Schools to take actions necessary to implement a deficit reduction plan. Requires the DUAB to hold a public hearing not later than December 1, 2017, to determine if the school corporation should be designated as a distressed political subdivision effective January 1, 2018. Provides that after holding the public hearing, the DUAB shall either: (1) adopt a resolution providing that the school corporation will not be designated as a distressed political subdivision (if the DUAB makes certain findings); or (2) adopt a resolution designating the school corporation as a distressed political subdivision effective January 1, 2018. Provides that if the DUAB adopts a resolution designating the school corporation as a distressed political subdivision, the emergency manager shall, effective January 1, 2018, assume and exercise all of the powers, authority, and responsibilities granted to emergency managers under the distressed political subdivision statutes. Authorizes the treasurer of state to file a petition with the DUAB to have a school corporation designated as a distressed unit if the treasurer of state has reason to believe that the school corporation will not be able to pay the school corporation's debt service obligations as those debt service obligations become due. Requires notice to the Indiana education employment relations board (EERB) when a school corporation is designated as distressed. Replaces and adds conditions for terminating a political subdivision's distressed status. Adds, removes, modifies, and rearranges the duties and powers of an emergency manager regarding all political subdivisions and makes certain changes with regard to distressed school corporations. Provides a procedure for residents who want to appeal a decision of an emergency manager. Specifies that if a member of the fiscal management board is made a party to a civil suit, the attorney general is required to defend the fiscal management board member. Specifies for purposes of a claim against a governmental entity that a member of the fiscal management board, the emergency manager, chief financial officer, or chief academic officer is acting on behalf of the distressed political subdivision and not the state. Provides civil immunity for these individuals with respect to an act or omission made in the course and scope of duties prescribed by the DUAB. Allows a school corporation to opt out of a state board of accounts examination and have an independent examination that meets

certain criteria. Specifies that certain independent audits that are already completed for certain school corporations for 2015 and 2016 and that meet certain conditions are considered approved.

Balanced budget amendment. Provides that the total amount of expense appropriations enacted by the general assembly for a biennial budget may not exceed the estimated revenue of the state in the biennial budget period. Defines "revenue" as all income received by the state general fund and all other state funds, excluding the proceeds of bonds or other loans. Defines "expense" as the ordinary operating costs of state government, including any debt service payments made during the biennial budget period. Provides that a state budget enacted by the general assembly must appropriate money for the state's prefunded pension funds in the amount necessary to actuarially fund the accrued liability of all such pension funds during the budget period. Provides that if expenses exceed actual revenue when reconciled at the close of a biennial budget period, the subsequent biennial budget must subtract any shortfall from the projected revenue available for that subsequent biennial budget. Allows these requirements to be suspended if at least two-thirds of the members of the house of representatives and at least two-thirds of the members of the senate vote to suspend the requirements. Provides that a court that orders a remedy pursuant to any case or controversy arising under these provisions may not order any remedies other than a declaratory judgment or such other remedies that are specifically authorized by the general assembly.

State biennial budget. Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Provides for bonding authority for capital projects for higher education institutions. Terminates the legislative evaluation and oversight program. Replaces the statutory appropriation from the counter cyclical and revenue stabilization fund to the state general fund based on the budget report with a limited discretionary transfer determined by the budget director and approved by the governor. Requires the attorney general to include certain language concerning settlement funds in proposed court order language. Establishes the agency settlement fund for purposes of receiving certain funds paid to the state as part of a settlement or similar agreement. Permits money held in a trust fund for other post-employment benefits (other than pension) to be invested in the same manner as money may be invested by the public employees' retirement fund or any other public pension or employee retirement fund administered by the board of trustees of the Indiana public retirement system. Establishes the teachers' defined contribution plan (plan) as an account within the Indiana state teachers' retirement fund (fund). Provides that an individual who begins employment with a school corporation in a covered position that would otherwise be eligible for membership in the fund may elect to become a member of the plan. Provides that an individual who does not elect to become a member of the plan becomes a member of the fund. Requires the board of trustees of the Indiana public retirement system (board) to establish, subject to any approval from the Internal Revenue Service that the board considers necessary or desirable, alternative investment programs within the annuity savings account as the initial alternative investment programs for the plan. Provides that, if the board considers it necessary or appropriate, the board may establish different or additional alternative investment programs for the plan, except that the board shall maintain the stable value fund. Provides that each member's contribution to the plan is 3% of the member's compensation and requires the employer to pay the member's contribution on behalf of the member. Allows a member to make additional contributions to the plan up to 10% of the member's compensation. Provides that the employer's contribution rate for the plan is equal to the employer's contribution rate for the fund as determined by the board, although the amount

credited from the employer's contribution rate to the member's account may not be greater than the normal cost of the fund, and any amount not credited to the member's account is applied to the unfunded accrued liability of the fund. Provides that an employer's minimum contribution to the plan is 3% of the compensation of all members of the plan. Provides that member contributions and net earnings on the member contributions belong to the member at all times and do not belong to the employer. Provides that a member vests in the employer contribution subaccount at 20% per year with full vesting after five years of participation. Provides that, if a member separates from service with an employer before the member is fully vested in the employer contribution subaccount, the amount in the subaccount that is not vested is: (1) transferred to the member's new employer, if the new employer participates in the plan; or (2) held in the member's employer contribution subaccount until forfeited. Provides that a member who: (1) terminates service in a covered position; and (2) does not perform any service in a covered position for at least 30 days after the date on which the member terminates service; is entitled to withdraw vested amounts in the member's account. Provides that a member may elect to have withdrawals paid as: (1) a lump sum; (2) a direct rollover to another eligible retirement plan; or (3) if the member is at least 62 years of age with at least five years of participation in the plan, a monthly annuity in accordance with the rules of the board. Provides that, on the plan's effective date, school corporations become participants in the plan. Provides that the board shall provide education to employers and members regarding retirement benefit options of all applicable pension and retirement funds that the board administers. Establishes the next level Indiana trust and trust fund. Provides that the trust proceeds of the next generation trust shall be transferred to the next level Indiana trust and trust fund and that the next generation trust shall cease upon completion of the transfer. Provides that the proceeds transferred to the next level Indiana trust fund shall be used exclusively for the provision of highways, roads, and bridges. Requires the board of trustees (board) of the Indiana public employees' retirement system, after December 31, 2017, to establish and maintain the next level Indiana innovation and entrepreneurial fund (fund) as an annuity savings account investment option for members of the public employees' retirement fund (PERF) and the Indiana state teachers' retirement fund (TRF). Requires the deferred compensation committee (committee), after December 31, 2017, to establish and maintain the fund as an investment option in the state employees' deferred compensation plan. Requires the board and the committee to consult with the board of trustees of the next level Indiana trust fund to establish the fund's investment objectives and policies. Limits initial transfers into the fund to 20% of the balance in a fund member's or state employee's account. Limits annual contributions to the fund to 20% of a member's or an employee's total contributions for that year. Provides that, if a member or employee contributes not less than the amount the member or employee initially designated to the fund for at least 36 consecutive months and maintains in the fund the amounts transferred and contributed during that period, the state shall contribute on the member's or employee's behalf to the fund as a match 10% of the total amount contributed by the member or employee or on the member's or employee's behalf to the fund during that 36 month period. Provides that for each additional 12 consecutive months that a member or an employee contributes not less than the member or employee initially designated to the fund and maintains in the fund the amounts transferred and contributed that period, the state shall contribute on the member's or employee's behalf to the fund as a match 10% of the total amount contributed by the member or employee or on the member's or employee's behalf to the fund during that 12 month period. Provides that, for purposes of determining the amount of the state's match, the total amount contributed by the member or employee or on the member's or employee's behalf excludes the amount of any state match. Provides that, in the case of a group insurance plan established by the state police department, conservation officers of the department of natural resources, and the state excise police (state law enforcement agencies), any proposed modification to change the benefits under the plan may not be made unless the modification is approved by the budget agency. Provides that, on or before July 1 of each year, state law enforcement agencies must submit to the budget agency the current plan documents and any other related information for the agency's group insurance plan as well as any proposed modifications to the plan. Provides that the budget agency may request additional information from a state law enforcement agency to analyze the impact of a proposed modification to the state's contribution and post-employment liability under the group insurance plan. Provides that, if a state law enforcement agency fails to provide the information, the budget agency may recommend to the budget committee that the state personnel department manage the state law enforcement agency's group insurance plan during the next succeeding calendar year. Establishes the personal services/fringe benefits contingency fund for the purpose of allotting money to departments, institutions, and state agencies for: (1) salary increases; (2) fringe benefit increases; (3) an employee leave conversion program; (4) state retiree health programs; and (5) any related expenses. Provides that the budget agency shall administer the fund and may use money in the fund only with the approval of the governor. Permits the director of the horse racing commission to negotiate an interstate compact and represent Indiana on a commission to negotiate an interstate compact. Specifies that money in each horse breed development fund is continuously appropriated to make payments ordered by the horse racing commission. Specifies that the horse racing commission's share of the money in the gaming integrity fund is continuously appropriated to carry out the purposes of the fund. Extends the effective date from July 1, 2017, to July 1, 2018, for provisions in the sales tax code

declaring that a person is a retail merchant making a retail transaction if the person furnishes rooms, lodgings, or accommodations in a house, condominium, or apartment for transient residential housing for consideration. Extends the effective date from July 1, 2017, to July 1, 2018, for a provision in the sales tax code declaring that a "facilitator" is a retail merchant making a retail transaction when the facilitator accepts payment for a room, lodging, or accommodation rented or furnished in Indiana. Extends the effective date from July 1, 2017, to July 1, 2018, for a provision in the sales tax code requiring a retail merchant who rents or furnishes lodgings to provide to the consumer of the lodging an itemized statement separately stating certain information and that imposes a penalty on a facilitator for each transaction in which the facilitator fails to separately state such information. Merges the law enforcement academy building fund and the law enforcement training fund into the law enforcement academy fund with no changes to the funds' uses. Allows the law enforcement academy to charge a fee to all users for training and corresponding marginal and fixed costs according to an annual cost and fee schedule approved by the budget director. Allows the academy to house and train law enforcement agencies from outside Indiana. Permits the distressed unit appeal board to employ an executive director. Authorizes the department of correction to enter into a contract with an outsourcing facility, a wholesale drug distributor, a pharmacy, or a pharmacist for the issuance or compounding of a lethal substance necessary to carry out an execution by lethal injection. Specifies that the provision of a lethal substance for lethal injection does not constitute the practice of pharmacy and is not subject to the jurisdiction of the board of pharmacy, the medical licensing board, the state department of health, or the professional licensing agency. Provides that information relating to the identity of a person who provides a lethal substance for lethal injection is confidential. Prohibits the office of the secretary of family and social services from reducing Medicaid reimbursement for home health services. Voids an administrative rule containing a 3% reimbursement reduction and any successor rule or renewal from reducing home health services. Specifies powers of the treasurer of state, acting as the chairperson of the achieving a better life experience (ABLE) board, related to the approval of expenses of the ABLE board and the ABLE authority. Establishes the Indiana tourism task force to study the tourism departments of other states for the purposes of learning: (1) the structure of state tourism departments; (2) the level of funding provided to state tourism departments; and (3) the relationship between state funding of a state's tourism department and the economic impact of tourism on the state. Increases the maximum school scholarship income tax credits that may be awarded during a state fiscal year. Specifies the foundation amounts, special education grant amounts, and honors diploma award amounts. Provides that the spring ADM count of students is only for informational purposes. Provides that if a participating innovation network charter school was established before January 1, 2016, and for the current school year has a complexity index that is greater than the complexity index for the school corporation that the innovation network school has contracted with, the innovation network school is to be treated as a charter school for purposes of determining tuition support. Requires virtual charter schools to report annually certain information to the department of education (DOE). Deletes the provision specifying that the DOE shall accept applications for choice scholarship students from September 2 through January 15 for the spring semester of the current school year. Provides for a teacher appreciation grant for school corporations and virtual charter schools. Provides that if a school corporation or a charter school enters into an agreement with a choice scholarship school to provide dropout recovery educational services for an at-risk student who is enrolled at a public school, the student may not be included in the calculation of the public school's performance grade. Amends the primary care shortage area scholarship statute to provide that it applies to qualifying applicants who will practice in Indiana (rather than only those who will practice in a primary care shortage area). Specifies that the scholarship may also be awarded to qualifying nonresidents who intend to remain in Indiana (but provides that the commission for higher education (CHE) shall give a preference to Indiana residents when awarding such a scholarship). Deletes the requirement that the scholarship may only be awarded to a student in the first year class. Specifies the maximum amounts of the scholarship (depending on the class year in which it is awarded). Provides that the CHE (in coordination with the Marian University College of Osteopathic Medicine) shall administer the scholarship program. Exempts Ivy Tech Community College through December 31, 2017, from having to obtain three appraisals to sell real estate. Provides that an acute care hospital is entitled to a credit against the hospital's adjusted gross income tax liability equal to 20% of the property taxes paid in Indiana. (The current credit is equal to 10% of the property taxes paid in Indiana.) Specifies that the credit applies only to taxes on real property. Provides that the amount of any unused credit may be claimed as a refundable tax credit. Provides for an income tax deduction for military retirement and survivor's benefits of \$6,250 (retains a \$5,000 deduction for military income that is not a military retirement benefit, which is now a combined deduction including military income and military retirement benefits). Authorizes the Indiana department of veterans' affairs to make grants to be used for the purpose of providing services to veterans. Requires the budget agency to retain and transfer to the department of state revenue in 2019 a part of the certified distribution of local income tax that is equal to the amount of the certified distribution that represents certified shares for calendar year 2018 multiplied by 0.5%. Specifies that the money in the standardbred horse fund is continuously appropriated to carry out the purposes of the fund. Repeals the power of the Indiana finance authority to enter into direct negotiations with a single offeror for a

public-private partnership involving state communications systems infrastructure. Provides that a governmental entity may issue a request for information with respect to a public-private agreement: (1) to consider the factors involved in, the feasibility of, or the potential consequences of a contemplated project involving a public facility or transportation project; (2) to prepare a request for proposals; or (3) to evaluate any aspect of an existing public-private agreement. Provides that responses to a request for information are confidential unless confidentiality is waived in writing. Requires the state board of finance to notify the state board of education and the DOE when the state board of finance takes certain actions. Provides for an increase in the reimbursement rate for certain services provided to an individual under a Medicaid waiver and whose services are delivered by direct care staff. Changes the expiration dates for the hospital assessment fee and the health facility quality assessment fee from June 30, 2017, to June 30, 2019. Provides that deer research and management fund fee revenue, migratory waterfowl stamp revenue, and game bird restoration stamp revenue may be retained in the fish and wildlife fund if the budget agency finds that it would reduce the balance in the fish and wildlife fund below \$3,000,000 at the end of the state fiscal year. Modifies the replacement facility exemption for purposes of the prohibition on the approval of licensure of comprehensive care health facilities and comprehensive care beds, and extends the prohibition through June 30, 2019. Establishes the school corporation efficiency incentive grant program. Provides that certain reorganized school corporations are eligible for a one time efficiency incentive grant if requirements are met. Provides that the grant may be used to: (1) pay expenses associated with the reorganization, including professional service fees, legal costs, and necessary capital expenditures; and (2) provide salary bonuses to teachers. Provides that the amount of the grant is \$250 multiplied by the most recent average daily membership (ADM) count of the reorganized school corporation. Provides that a reorganized school corporation may increase its new combined maximum permissible school transportation levy and school bus replacement levy by 3% after all other adjustments. Adds a definition of "postsecondary SEI affiliated educational institution". Allows a state educational institution to be a member of and control a postsecondary SEI affiliated educational institution under certain conditions. Requires a postsecondary SEI affiliated educational institution and any educational programs offered to be authorized by the CHE. Provides that a postsecondary SEI affiliated educational institution is not subject to open door laws. Provides that the CHE may request information from a postsecondary SEI affiliated educational institution. Provides that a postsecondary SEI affiliated educational institution may be confirmed as a public school for purposes of United States Department of Education regulations. Increases the automated record keeping fee from \$19 to \$20 permanently. Adds the increase in the presumptive cost concerning selling of cigarettes under the state cigarette fair trade act. Provides that certain annexation ordinances are void. Provides \$5,000,000 from a 2013 appropriation for the health and safety contingency fund to rehabilitate a state owned building to be used to provide services to Indiana's veterans. Requires the budget agency to transfer an amount from the state general fund to the state bicentennial capital account to cover obligations incurred before July 1, 2017. Provides that the amount transferred may not exceed \$5,500,000. Extends the legislative and judicial branch leave conversion pilot program through June 30, 2019. Repeals: (1) the bonding authority enacted in 2007 for the Purdue University West Lafayette-Animal Disease Diagnostic Laboratory; and (2) the bonding authority enacted in 2009 for the Indiana University Southeast education and technology building. Requires the CHE to: (1) review the metrics used in the performance funding formula to ensure that those metrics are aligned with the state's higher education goals; and (2) make recommendations before July 1, 2018, to the legislative council and the governor concerning the metrics used in the performance funding formula. Requires the CHE to study the effectiveness of the academic program at the Indiana Academy for Science, Math, and Humanities and report the CHE's findings to the legislative council and the governor. Urges the legislative council to assign to the interim study committee on courts and the judiciary the topic of studying issues related to providing indigent defense services.

Transportation infrastructure funding. Eliminates the sales tax on the sale of special fuel. Establishes the special transportation flexibility fund. Provides the following for gasoline use tax collections for state fiscal year 2020 and each state fiscal year thereafter: (1) 14.286% of the collections shall be deposited in the motor vehicle highway account. (2) 21.429% of the collections shall be deposited in the local road and bridge matching grant fund. (3) A percentage of the gasoline use tax collections shall be deposited in the state general fund in each state fiscal year before state fiscal year 2025. (4) In state fiscal year 2020 through state fiscal year 2023, a percentage of the gasoline use tax collections shall be deposited in the special transportation flexibility fund. (5) In state fiscal year 2020 and thereafter, a percentage of the gasoline use tax collections shall be deposited in the state highway fund. Changes the

deadline for the adoption and notification of county and municipal vehicle excise and wheel tax ordinances. Provides for a one-time fuel tax rate increase using a multiyear index factor based on the last time the particular fuel tax rate was increased and the current fuel tax rate per gallon. (Gasoline tax is currently \$0.18, special fuel tax is currently \$0.16, and motor carrier surcharge tax is currently \$0.11.) Limits the one-time increase to \$0.10 per gallon. Provides for an annual rate increase in fuel tax rates based on an annual index factor. Limits the annual rate increase based on the annual index factor to \$0.01 per gallon. Provides that the last index factor adjustment to the fuel tax rates is July 1, 2024. Increases the aviation fuel excise tax by \$0.10 per gallon and transfers the increased revenue to the airport development grant fund for airport capital improvement matching grants. Increases alternative fuel decal fees by 50%. Specifies that the motor carrier fuel surcharge tax must be paid on special fuel that is not an alternative fuel at the time of purchase (the same time the special fuel tax is paid), instead of being entirely paid using a quarterly return. Provides that the surcharge tax also applies to purchases of special fuel by persons other than carriers. Imposes a motor carrier fuel surcharge inventory tax on motor fuel held in storage and offered for sale to motor carriers on the date the surcharge tax rate changes. Eliminates from the distribution of the gasoline and special fuel taxes: (1) the \$0.01 going to the state highway fund; (2) the \$0.01 going to counties, cities, and towns; and (3) the \$25,000,000 special distribution allocation distributions. Establishes a \$15 transportation infrastructure improvement fee that applies to the registration of all motor vehicles except trailers, semitrailers, non-motive recreational vehicles, special machinery, vehicles registered as military vehicles, vehicles registered as collector vehicles, motor driven cycles, trucks, tractors used with a semitrailer, and for-hire buses with a declared gross weight greater than 26,000 pounds. Increases annual registration fees for certain motor vehicles with a declared gross weight that equals or exceeds 26,000 pounds. Requires a person who registers an electric vehicle to pay a supplemental registration fee of \$150 with an increase every five years based on an index factor. Requires a person who registers a hybrid vehicle to pay a supplemental registration fee of \$50 with an increase every five years based on an index factor. Provides that the percentage of the amounts distributed to the state and to the local units from the motor vehicle highway account changes incrementally from 53% for the state and 47% for the local units under current law to 60% for the state and 40% for the local units after June 30, 2022. Eliminates the authority for cities and towns to use distributions from the motor vehicle highway account for: (1) the painting of structures and objects; and (2) law enforcement. Requires counties, cities, and towns to use at least 50% of the distributions from the motor vehicle highway account for the construction, reconstruction, and maintenance of highways. Repeals restrictions on when a tolling project can be undertaken. Provides that before the governor, the Indiana department of transportation (INDOT), the Indiana Finance Authority (IFA), or an operator may enter into an agreement for the financing, construction, maintenance, or operation of a toll road project, the budget committee must first review the proposed agreement. Provides that neither the IFA nor INDOT may issue a request for proposals for a public-private agreement that would authorize an operator to impose tolls unless the budget committee has reviewed the request for proposals. Requires INDOT to seek a Federal Highway Administration waiver to toll interstate highways. Limits the first toll lanes under the waiver to certain interstate highways. Provides for a public comment period and requires replies to the public comments for a toll road project by INDOT or a tollway project carried out using a public private partnership. Imposes other duties on INDOT. Amends the assessment procedures for motor carrier civil penalties. Establishes the weigh-in-motion pilot program. Makes various changes to the local road and bridge matching grant program. Allows INDOT to approve certain railroad crossing projects, and authorizes the IFA to finance an approved project subject to a maximum annual debt service limit of \$10,000,000. Authorizes the IFA to take certain actions in the event a public-private agreement is terminated. Annually appropriates \$250,000 to INDOT for the local technical assistance program to develop and maintain a centralized electronic statewide asset management data base. Provides that the owner of a semitrailer permanently registered in Indiana does not pay an annual registration renewal fee. Makes various changes to the transportation funding exchange program between the state and counties and municipalities. Adds various study requirements.

Prekindergarten education. Provides that, after June 30, 2017, the early education grant pilot program (prekindergarten pilot program) includes: (1) eligible providers in an additional 15 counties; and (2) eligible providers that received a grant under the early education matching grant program and meet certain conditions. Changes references to the "pilot program" to the "prekindergarten pilot program". Adds additional requirements for an eligible provider to participate in the prekindergarten pilot program. Adds additional requirements for an eligible child to qualify for or receive a grant under the prekindergarten pilot program. Amends income eligibility requirements for eligible children in counties that meet certain conditions and establishes certain requirements and restrictions. Provides that the office of the secretary of family and social services (office) may award a grant to a potential eligible provider or existing eligible provider for an expansion plan if certain requirements are met. Requires a potential eligible provider or existing eligible provider to repay to the office the total amount of the grant awarded if the potential eligible provider or existing eligible provider fails to use the grant funds in accordance with the expansion plan or in compliance with the agreement with the office. Requires the office to: (1) monitor the educational outcomes resulting from the implementation of expansion plans; and (2) annually provide the governor and legislative council a report of the findings of the office concerning the educational outcomes. Amends a provision that requires a match for the prekindergarten pilot program be from at least 10% but not more than 50% to be at least 5% but not more than 50%, with an exception. Requires the office to make random onsite inspections, as determined necessary by the office, of facilities of eligible providers and potential eligible providers or existing eligible providers each year. Provides that the office may determine that an eligible provider or potential eligible provider or existing eligible provider is no longer eligible under the prekindergarten pilot program. Provides that eligible children who use a prekindergarten pilot program grant to attend a prekindergarten program at an eligible choice scholarship school are eligible to receive a choice scholarship to attend the same eligible choice scholarship school if certain conditions are met. Requires the division of family resources to develop a provider rate reimbursement schedule that uses money appropriated by the general assembly as an incentive for providers eligible to receive voucher payments under the federal Child Care and Development fund voucher program to meet the standards of quality recognized by a Level 3 or Level 4 Paths to QUALITY program rating. Requires the department of education (department) to approve an early learning development framework for prekindergarten. Requires the office to apply for waivers from all applicable federal agencies to receive any federal funding for child care or prekindergarten education in one block grant to use for child care and prekindergarten programs in the state. Establishes the prekindergarten pilot program fund (fund). Allows the office to develop and implement a reimbursement program to reimburse costs incurred by parents to provide technology based, in-home early education services to a child. Allows money in the fund to be used to pay for the reimbursements. Repeals the provisions concerning the early education matching grant program.

School financial management. Provides for the following, effective January 1, 2019: (1) Eliminates the school general fund. (2) Creates an education fund to be used as the exclusive fund to pay expenses allocated to student instruction and learning. (3) Creates an operations fund to replace the capital projects fund, the transportation fund, the school bus replacement fund, an art association or a historical society fund, and the public playground fund. Provides that the levy for a school corporation's operations fund consists of the following separately calculated levies: (1) A transportation levy. (2) A school bus replacement levy. (3) A capital projects levy. (4) For certain schools, levies to provide funding for an art association, a historical society, or a public playground. Specifies that each separately calculated maximum levy for 2019 is the 2018 maximum levy increased by the maximum levy (assessed value) growth quotient and that after 2019 each separately calculated maximum levy is increased by the maximum levy (assessed value) growth quotient. Provides that on January 1, 2019, the balance in the school corporation's general fund shall be transferred to the education fund. Specifies that before March 1, 2019, the governing body of a school corporation may transfer to the school corporation's operations fund, from the amounts transferred from the school corporation's general fund, any amounts that are not allocated to student instruction and learning. Allows transfers between the education fund and operations fund. Specifies that money transferred from the operations fund to the education fund is not revenue for purposes of collective bargaining. Provides new allowable expenditures from the operations fund to include all skilled trades, school maintenance vehicles, and

contracted services related to buildings and grounds. Eliminates the requirement to publish the entire capital projects plan and school bus replacement plan in a newspaper and requires that the plans be posted on the school corporation's web site. Removes the approval of the plans and appropriations by the department of local government finance. Eliminates various dedicated funds and moves the purpose for each of these funds to the education fund or operations fund. Creates the school corporation referendum controlled project tax levy fund to pay for projects approved by a voter referendum. Makes corresponding changes. Extends (through 2019) the ability in current law for a school corporation to allocate circuit breaker credits proportionately (without taking protected taxes into account) under certain circumstances. Provides that the chart of accounts to be used by school corporations must coincide with the following expenditure categories: (1) Student academic achievement expenditures. (2) Student instructional support expenditures. (3) Overhead and operational expenditures. (4) Nonoperational expenditures. Provides that a school corporation that has an ADM of more than 15,000 may not issue bonds after August 15, 2020, unless the school corporation has for its preceding budget year prepared an annual financial report using the modified accrual basis of accounting in accordance with generally accepted accounting principles. Provides that a county that has a population of more than 100,000 and a municipality that has a population of more than 75,000 may not issue bonds after June 30, 2020, unless the county or municipality has for its preceding budget year prepared an annual financial report using the modified accrual basis of accounting in accordance with generally accepted accounting principles. Allows the state examiner to waive these requirements if the state examiner determines that a waiver is in the best interest of the school corporation, county, or municipality. Replaces the provisions in current law (which would be phased in during 2017-2020) concerning annual financial report requirements that must be met before a school corporation, county, or municipality may issue bonds. Provides that effective July 1, 2017, a school corporation may not issue any bonds unless it has filed its annual financial report with the department of education. Provides that effective July 1, 2017, a county or municipality may not issue any bonds unless it has filed its annual financial report with the state examiner for the preceding fiscal year.

Referendum and remonstrance process. Increases the threshold used for purposes of determining whether a capital project is a controlled project as follows: (1) In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or to enter into a lease for the project, the threshold is increased from \$2,000,000 to \$5,000,000. (2) In the case of an ordinance or resolution adopted after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold is increased by applying the assessed value growth quotient for the year to the threshold

amount determined for the preceding year. Specifies that a capital project is also a controlled project if the cost of the project will exceed: (1) 1% of the total gross assessed value of property within the political subdivision, if that total gross assessed value is more than \$100,000,000; or (2) \$1,000,000, if the total gross assessed value of property within the political subdivision is not more than \$100,000,000. Increases the thresholds used for applying the petition and remonstrance process and referendum process as follows: (1) In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or to enter into a lease for the project, the threshold is increased from \$10,000,000 to \$15,000,000 for school building projects and from \$12,000,000 to \$15,000,000 for any civil unit project. (2) In the case of an ordinance or resolution adopted after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold is increased by applying the assessed value growth quotient for the year to the threshold amount determined for the preceding year. Provides that a school building project is also subject to the referendum process if the cost of the project will exceed: (1) 1% of the total gross assessed value of property within the political subdivision, if that total gross assessed value is more than \$1,000,000,000; or (2) \$10,000,000, if the total gross assessed value of property within the political subdivision is not more than \$1,000,000,000. Provides that a civil unit project is also subject to the referendum process if the cost of the project will exceed: (1) 1% of the total gross assessed value of property within the political subdivision, if that total gross assessed value is more than \$100,000,000; or (2) \$1,000,000, if the total gross assessed value of property within the political subdivision is not more than \$100,000,000. Provides that a controlled project for which a political subdivision makes a preliminary determination to issue bonds or enter into a lease is subject to the referendum process if the sum of: (1) the cost of that controlled project; plus (2) the costs of all other controlled projects for which the political subdivision has previously adopted within the preceding 365 days an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for those other controlled projects; exceeds \$25,000,000. Requires that a political subdivision's notice of the preliminary determination to issue bonds or enter into a lease for a controlled project must also include information concerning the estimated amount of the political subdivision's debt service levy and rate that will result during the following 10 years if the political subdivision issues the bonds or enters into the lease, after also considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate. Provides that a petition objecting that a political subdivision has divided a controlled project in order to avoid the requirements of the petition and remonstrance process or the referendum process must be filed with the department of local government finance (DLGF) not more than 10 days after the political subdivision gives notice of the political subdivision's determination to issue bonds or enter into leases for the capital project. Specifies that if the DLGF determines that a political subdivision divided a controlled project in order to avoid the referendum requirements and the political subdivision continues to desire to proceed with the project, the political subdivision may appeal the determination of the DLGF to the Indiana board of tax review. Specifies that a political subdivision shall be considered to have divided a capital project in order to avoid the requirements of the petition and remonstrance process or the referendum process if the result of one or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. Relocates existing law concerning calculation of the cost of certain projects by a school corporation career and technical education school to a separate section within the controlled projects statute. Requires a political subdivision to: (1) conduct at least two public hearings on a preliminary determination concerning a controlled project (rather than one hearing under current law); and (2) make certain information available to the public at each of the public hearings. Provides that if a referendum for a controlled project or for a school operating referendum fund property tax levy is defeated, another referendum may not be held earlier than 700 days after the date of the first referendum (rather than 350 days under current law). Specifies that the 350 day limit applies if a sufficient petition requesting that limit is submitted by property owners or voters. Provides that a school corporation operating referendum fund property tax levy may not be imposed for more than eight years. (Current law provides that the referendum levy may not be imposed for more than seven years.) Applies to a referendum that takes place after June 30, 2017.

Gaming. Authorizes advance deposit wagering on horse racing. Provides that each permit holder shall pay to the Indiana horse racing commission (IHRC) as an advance deposit wagering fee an amount equal to 60% of the net source market fee received by the permit holder from a licensed secondary pari-mutuel organization (SPMO). Provides that the IHRC shall use this revenue as follows: (1) 25% of the revenue shall be used to promote horse racing conducted at the state fair and at county fairs. (2) 75% of the revenue shall be distributed to different horsemen's associations to encourage Indiana horse owners and horse trainers to participate at the permit holders' horse racing facilities. Exempts the IHRC from the general procurement law in making certain expenditures. Requires the IHRC to adopt procurement rules applying to expenditures for emergency purchases, drug and forensic testing, expert and specialized witnesses, and equipment and supplies costing less than \$10,000 that are necessary for the regulation and administration of horse racing. Specifies that a person must be a licensee to be eligible to receive owner, breeder, or stallion awards. Prohibits certain individuals associated with the IHRC from wagering on gambling games at race track casinos. Changes requirements concerning fingerprinting, sanctions for refusing breath tests, the use of development fund money, payment for certain endoscopic examinations, the analysis of primary blood or urine specimens, and off-premises searches. Requires the IHRC to annually transfer from the gaming integrity fund to the Indiana state board of animal health \$75,000 for each racetrack operated by a licensee. (Current law requires the transfer of 15% of the money deposited into the gaming integrity fund.) Provides that a transaction involving the sale of a race horse in a claiming race is exempt from the state gross retail tax. Makes the supplemental wagering tax 3% of a riverboat's adjusted gross receipts (AGR) for a riverboat that has relocated to an inland casino. Provides that the supplemental wagering tax shall be imposed starting the day operations begin at an inland casino. Provides that beginning July 1, 2018, the supplemental wagering tax is based on the riverboat's AGR multiplied by: (1) the total riverboat admissions tax that the riverboat paid beginning July 1, 2016, and ending June 30, 2017; divided by (2) the riverboat's AGR beginning July 1, 2016, and ending June 30, 2017. Provides that admission, wagering, and supplemental wagering taxes must be paid monthly to the department of state revenue (department). Provides that after June 30, 2020, and before July 1, 2021, the amount of wagering taxes that would be distributed to South Bend shall be deposited as being received from all riverboats whose supplemental wagering taxes are over 3.5% and distributed in the same manner as the supplemental wagering tax. Provides that the admission, supplemental wagering, and wagering tax be paid monthly to the department. Provides that after June 30, 2021, the amount of wagering taxes that would be distributed to South Bend shall be deposited in the state general fund. Provides that after June 30, 2021, if the total AGR received by licensees from gambling games under the riverboat gambling law during the preceding state fiscal year is less than the total AGR received from gambling games during the state fiscal year ending June 30, 2020, then: (1) the \$33,000,000 of wagering tax set aside for revenue sharing is reduced proportionately; and (2) the \$48,000,000 maximum amount of the supplemental distribution is reduced proportionately. Requires the Indiana economic development corporation (IEDC) to transfer 10% of the amount of wagering taxes and historic hotel district community support fees that are distributed to the IEDC to the South Central Indiana Regional Economic Development Corporation for economic development purposes. Provides for an eight year phase out of the state income tax add back for wagering taxes deducted on a taxpayer's federal income tax return. Removes references to "gambling excursions". Property tax matters. Provides that a political subdivision must upload a copy of a contract that the political subdivision enters into after June 30, 2016, to the Indiana transparency Internet web site if the total cost of the contract exceeds \$50,000. Specifies the definition of "low income rental property" for purposes of property tax assessment. Specifies the total true tax value of low income rental property that is used to provide Medicaid assisted living services. Allows the department of local government finance (DLGF) to use estimated data to compute six year rolling averages for the purpose of determining the annual adjustments of assessed values between reassessments. Provides that the DLGF shall release DLGF's annual determination of the statewide agricultural land base rate value (base rate) on or before March 1 of each year. Makes the statute specifying the assessed value of outdoor advertising signs permanent. Provides that certain outdoor signs shall be disregarded for the purpose of determining an assessment of the land on which the outdoor sign is located. Provides that a public utility that fails to timely file a statement concerning the property owned or used by the public utility on an assessment date shall remit the penalty to the department of state revenue. Defines the terms "installment loan" and "mortgage" for purposes of the mortgage deduction. Restates the conditions for when a taxpayer must reapply for various property tax deductions. Restates the requirement that a taxpayer file a certified statement with the county auditor when the taxpayer ceases to be eligible for the standard deduction for a property. Provides that Jennings Township in Fayette County may increase its maximum township unit levy and its maximum levy for fire protection and emergency services for 2018. Provides that both the executive of a political subdivision and a majority of the members of the fiscal body of a political subdivision may independently request technical assistance from the distressed unit appeal board in helping prevent the political subdivision from becoming a distressed political subdivision. Provides that a multiple county property tax assessment board of appeals shall submit to the DLGF, the Indiana board of tax review,

and the legislative services agency separate reports for each county participating in the multiple county property tax assessment board of appeals. Authorizes, but does not require, the DLGF to adopt rules to limit the basis of payment for services provided by professionals who work on capital projects to a fee for service agreement. Provides that the DLGF may adopt a rule after June 30, 2016, and before September 1, 2017, that concerns or includes market segmentation and affects assessments for the January 1, 2018, assessment date. Provides that the DLGF may not adopt a rule concerning the practice of a representative before a property tax assessment board or DLGF that restricts the ability of a certified public accountant to represent a client in a matter relating to the taxation of personal property or distributable property. Allows a county treasurer and the county auditor to implement a policy to waive, negotiate, or settle penalties that have accrued on delinquent property taxes, if the fiscal body of the county approves the policy. Repeals the requirements that the budget agency publish by May 1 each year an estimate of the total amount of statewide distributions of local income tax revenue for: (1) the following two years, in an odd-numbered year; and (2) the following year, in an even-numbered year. Eliminates the requirement in current law that the DLGF review a loan contract entered into by an airport authority. Specifies that the election of the directors of a conservancy district's board shall be by a plurality of the votes (instead of a majority of the votes, in current law). Provides that a conservancy district is not required to go through the budget review process unless the conservancy district imposes a levy. Adds conditions that a school corporation must satisfy to increase its maximum transportation fund levy. Specifies an October 20 filing deadline for an appeal. Increases the service of process fee from \$25 to \$28, provides that the clerk shall collect the fee rather than the sheriff, and distributes \$1 of the fee to the clerk's record perpetuation fund. Provides that the executive of a township may use money in the township's rainy day fund to pay the costs attributable to providing fire protection and emergency services. Removes the requirement that the township firefighting fund be the exclusive fund used for providing fire protection or emergency services. Alcohol matters. Provides that after May 14, 2017, a restaurant may not sell carryout unless at least 60% of its gross retail income from alcoholic beverage sales is derived from sales of alcoholic beverages consumed on the premises. Makes the following exceptions to the gross retail income requirements for sale of carryout: (1) Exempts retailer's permits issued to a city market, marina, state park, golf course, hotel, resort hotel, social or fraternal club, or restaurant operated by a microbrewer. (2) Provides that a restaurant initially issued or transferred a retailer's permit before November 1, 2016, is not required to comply with the gross retail income requirements to sell carryout unless the permit is transferred to another location. (3) Provides that a restaurant initially issued or transferred a retailer's permit after October 31, 2016, and before May 14, 2017: (A) is not required to comply with the gross retail income requirements until renewing the permit or transferring the permit to another owner or location; and (B) upon a showing of good cause, may be issued permit extensions that may not extend past April 1, 2018. Provides that any new retailer's permits for restaurants issued after May 14, 2017, must comply with the gross retail income requirements in order to sell carryout. Provides that an applicant for an artisan distiller's permit must hold a farm winery, brewer's, or distiller's permit for 18 months (instead of three years) before the date of the application. Allows a farm winery, brewery, and distillery to occupy the same tent or structure at a trade show or exposition. Allows a small brewer, farm winery, or artisan distiller to employ a minor who is a family member in a capacity that does not involve the sale or serving of alcoholic beverages. Allows a minor to be on the premises of a farm winery or an artisan distillery under certain circumstances. Allows an artisan distiller to store liquor manufactured by the artisan distiller at a facility within 10 miles of the artisan distiller's distillery, if allowed by federal law. Prohibits the ATC from issuing a new alcoholic beverage permit if the applicant has unpaid taxes. Changes the definition of "banquet or gathering space" to include a contiguous area of the licensed premises. Allows a holder of a retailer's

permit issued for the premises of a hotel or restaurant that has a banquet or gathering space to temporarily amend the floor plans of the licensed premises to use the banquet or gathering space to securely store alcoholic beverages at the preferred temperature, and requires the ATC to approve amended floor plans that are consistent with the provision. Expresses the intent of the general assembly that the ATC use the "character of the business test" when considering whether to grant or renew certain retailer's permits that would allow the sale of alcoholic beverages for carryout, including cold beer. Increases, from four days to seven days, the number of days in a calendar month that may be designated as guest days by the holder of a club permit for alcoholic beverages. Defines "entertainment", "gift", and "professional and educational expenses", and specifies that certain prohibitions that apply to alcoholic beverage permittees concerning gifts do not apply to entertainment or professional and educational expenses. Defines "advertising specialty" and "consumer advertising specialty", and voids certain rules of the ATC that relate to advertising specialties and consumer advertising specialties.

Infrastructure development zone utility service. Provides that facilities used by a wastewater utility in the collection or treatment of wastewater constitute "eligible infrastructure" for purposes of the law providing a property tax exemption to a person who invests in eligible infrastructure located in an infrastructure development zone. Authorizes a public utility that provides water utility service to petition the utility regulatory commission (IURC) for approval of a plan (plan) to develop a future source of water source supply. Requires the IURC to approve the plan

if the IURC finds that the plan is reasonable and prudent for the provision of safe and reliable service. Provides that the timetable to place the future source of water supply into service may not exceed 15 years from the date on which the plan is submitted. Provides that after the utility's plan is approved, the IURC shall for ratemaking purposes add the utility's actual cost in developing the future source of water supply to the value of the utility's property. Provides that if the utility's actual cost exceeds the cost presented to the IURC, the additional costs shall be included once the source of water supply is in service if the IURC finds that the additional costs were prudently incurred. Provides that if the utility's petition is approved and the utility does not place the future source of water supply into service before the date set forth in the utility's timetable: (1) the ratemaking treatment of the utility's actual costs does not apply, unless the utility obtains the IURC's approval for amendment of the utility's plan to extend the timetable; and (2) the IURC shall establish a refund procedure to restore to ratepayers all payments that the public utility collected for costs for developing the future source of water supply, with interest, and shall remove the value added for ratemaking purposes to the utility's property for those costs. Provides that upon request by a water or wastewater utility, the IURC may allow, but may not require, the utility to establish a customer assistance program that: (1) uses state or federal infrastructure funds; or (2) provides financial relief to residential customers who qualify for income related assistance. Specifies that a customer assistance program that affects rates and charges for service is not discriminatory for purposes of any law regulating rates and charges for service. Provides that a water or wastewater utility that is requested to extend utility service to an infrastructure development zone may petition the IURC for approval of the requested extension of service. Provides that if the utility's petition is approved, the IURC shall in future general rate cases approve rate schedules that include a surcharge payable by customers located in the geographic area within the jurisdiction of the governmental entity that requested the extension of service. Amends the statute concerning infrastructure improvement charges for eligible water and wastewater utilities to: (1) change the definition of "eligible infrastructure improvements" with respect to municipally owned utilities and not-for-profit utilities; and (2) specify that the adjustment of an eligible utility's basic rates and charges to provide for the recovery of infrastructure improvement costs shall be calculated as a monthly fixed charge based upon meter size. Allows a public water utility to seek to include customer lead service line improvements as eligible infrastructure improvements for purposes of the statute concerning infrastructure improvement charges for water and wastewater utilities. Provides that the statute governing public works projects by political subdivisions does not apply to a project involving the extension or installation of utility infrastructure by a private developer of land if certain conditions are met.

Various election law matters. Provides for the election of alternate presidential electors to fill vacancies in the office of presidential electors. Requires a nominee for presidential elector or alternate presidential elector to file at the time of nomination or certification a pledge to vote for: (1) the presidential elector's or alternate presidential elector's party nominees for President of the United States and Vice President of the United States; or (2) if the presidential elector or alternate presidential elector is not nominated by a political party, the candidates for President and Vice President on whose behalf the presidential elector or alternate presidential elector is nominated. Provides for replacing a presidential elector who refuses to vote or cast a ballot as the presidential elector has pledged. Establishes other procedures relating to casting Indiana's electoral votes. Amends statutes to conform language to the terminology used for presidential electors. (These provisions are based on the Uniform Faithful Presidential

Electors Act.) Provides that if a candidate for president or vice president resigns or dies before the meeting of Indiana's electors, the pledge of the electors refers to the successor candidate for that office nominated by the political party in accordance with the party's rules. Provides that, beginning in 2019, the National Voter Registration Act (NVRA) official shall conduct a residency confirmation and outreach procedure in odd-numbered years instead of even-numbered years (which is the requirement under current law). Provides that if a circuit court clerk (clerk) denies certification of a petition of nomination filed by a candidate in person, the clerk shall notify the candidate in person of the denial of the certification. Provides that an application for an absentee ballot for the primary election before the general election conducted in 2018 and every four years thereafter may not be received by the clerk (or the director of the board of elections and registration) earlier than December 1 of the year before the primary election. Updates municipal election dates in a provision concerning the use of vote centers. Provides that, for a special election conducted in only part of a county and not held on the same day as a primary, general, or municipal election, the county election board (board) must provide in the county vote center plan for: (1) at least one vote center; or (2) if the election district for the special election contains at least 10,000 active voters, at least one vote center for each 10,000 active voters, plus one vote center for any fraction of 10,000 active voters. Provides that a board may permit a 16 or 17 year old who meets certain conditions to serve as an absentee ballot counter or courier at a central location where absentee ballots are counted. Makes a technical correction in a statute relating to poll takers that was amended during the 2016 session of the general assembly and resolves a conflict with SB 442-2017.
