Hello Green Room Families,

We hope you enjoyed all the Halloween and Fall festivities last month! Now it's time to keep the fun going as we celebrate Thanksgiving the end of this month.

During the first week, we will be learning about maps and "traveling" all around the world. We will learn about the different foods, artwork, and flags of Italy, Korea, China, and Australia.

During the second week of November, we will be discovering all the different people and places that make up our community. The kiddos will have a chance to make their own doctor kits as we learn more about hospitals that week.

We will end the month by celebrating Thanksgiving and learning all about Pilgrims, Native Americans, cornucopias, and turkeys. This week will be packed with lots of fun crafts like doing Native American handprints using different colored paint. We hope to get the kiddos excited to celebrate Thanksgiving with their loved ones!

WITH LOVE,  
MS. NA AND MS. ALGRAE
