How to Find Our Center...

Directions from the 405

Get off the highway at exit 18 (NE 85th St.) and travel toward downtown Kirkland.

NE 85th turns into Central Way.

Make a left on Urban Plaza and the parking garage is to your left.

Once parked, go up the elevators to level 2. Walk towards the red brick building that reads Park Place and has a large clock. Take a right and walk towards our playground.

We are in the same building, but level 2 above the new QFC.

If using your GPS, **do not type in the center's address as Google Maps is not yet recognizing the address for the new Kirkland Urban development.** When using your GPS, we recommend using the following address: 457 Central Way, Kirkland, WA 98033.

If you are having any trouble finding us, please call us at 425-219-2249.

Parking

You will use the parking garage underneath the Kirkland Urban development. The signs for Bright Horizons parking spots have not gone up in the garage yet, so you can park anywhere unless otherwise designated. We recommend parking on P1 and taking the elevator up to the second floor.
