

# April

# ORANGE

**Ms. Karen & Ms. Julie**

**April 2019**

Once Upon a Time...

Spring is finally here and the break is just around the corner! The first week of April, the Orange Room will be learning about fairy tales. We will get to taste some porridge, make crowns, and make a castle out of shapes.

The second week of April will be D.E.A.R Week where we drop everything and read. Children will get to make a Dr. Seuss puzzle, talk about the food the Very Hungry Caterpillar eats, and even make binoculars to look for lions, oh my!

Our third week will be about the earth, where we will talk about ways to keep it clean and learn why it's important to recycle. We will also get to go on a "field trip" to pick up trash in our community.

Our last week we will be focusing on art as well as the artists that make them. We will explore using different mediums, identify new textures and overall MAKE A MESS!

We can't wait to get started on all the fun stuff we have planned and know the kiddos will love it just as much as we do.
