Green Room

Spring is in the Air....

Happy March Friends!
This month we will learn about Dr. Seuss' birthday, St. Patrick's Day, the season of Spring and different types of weather.

For the first week of March, we will be celebrating Dr. Seuss' birthday! We will have parents from our classroom come and read their favorite book and

we will be learning about wetlands and ponds.

The second week of March we will be learning all about St. Patrick's Day. We will be making rainbows and searching for gold coins left by leprechauns.

During the third week of March, we will be celebrating the wonderful season of spring! We

will be sorting spring colors and making animals at our art table that come out in the springtime.

The last week of March we will be learning about different types of weather. We will paint storm clouds and explore a snowy sensory table. We will also be making suns and drawing on clouds.

Reminders

- St. Patrick's day falls on Tuesday March 17th, don't forget to wear green!
- Please remember to sign your child in/out daily.
- Please take home any projects found in the art cubbies!
- Don't forget to take your kiddos bedding home to be washed so it can be nice and clean for the following week!
