

2018 Cannon River Rally

8 Dec, 2018

Supplementary Regulations

Welcome to the 2018 Cannon River Rally. The event had its origins in the 70's as the Leap Year Rally. This rally will use many of those roads. We have selected roads that should be fully maintained in Winter. With the early onset of winter we recommend winter tires.

Headquarters

Rally headquarters is the American Legion in Hastings, MN.

44.745234, -92.851223

Registration and departure will be from this location.

End point is the Trillion Brewery in Cannon Falls, MN.

44.508005, -92.906817

There is no food (just popcorn) there so will be ordering in pizza or something. Feel free to bring whatever you want if you are particular. You could even bring something to share!

Schedule

12:00 Late registration

14:00 Car zero departs

17:56 Car zero finishes

Weather

You can expect anywhere from near summer to mid winter conditions.

Rules & Sanction Exceptions

The rally will be run under the Regional portion of 2018 SCCA Road Rally Regulations and the MiRally Standard Regulations.

Pretty much everything about controls and timing is different from the RRR, meaning use what we say, not the RRRs.

An error on one PC can produce a penalty on multiple PCs.

The Roadbook will be included with your registration in order to familiarize yourself with the format. The early distribution of Roadbook is also an exception.

Any questions should be emailed to clarence.westberg@gmail.com.

Classes

Per 2018 version of RRRs. To clarify, contestants using Rabbit Rally with a GPS are in SCCA class L.

Roads

Both paved and unpaved roads will be used. Roads marked Dead End, No Outlet etc may be referenced but are not used for travel.

Measurement

The course was measured in a 2001 SAAB Viggen. Pulses came from the left from drive shaft to a Rabbit Box where they were sent via bluetooth to the Rabbit Roadbook Designer app.

Weather conditions TBD. GPS locations were derived from a Dual XGPS 160.

End Point

The rally ends at the Tilion Brewery in Cannon Falls, MN. No food is available although they do have popcorn. We will be sending out for food as they encourage bringing in your own food.

You may also bring along any food you wish.
