

October 2019

Blue Room

Ms. Kim & Ms. Leslie

The Academy at Manhattan Beach

Month at a Glance

As the weather changes and the leaves begin to "FALL", we look forward to the start of a new month! We have many fun activities planned for the month of October! This month, Blue Room will be learning about: The Community, Fire Safety, Night Time/Nocturnal Animals, Outer Space and Halloween!

Our first week will start off with learning all about our community and community helpers. We will explore painting with toothbrushes as we learn about the dentist. We will also talk about mail carriers and we will write a letter that will be mailed home.

The second week will be all about fire safety. The children will learn about fire prevention, how to call 9-1-1 in case of an emergency, the work of firefighters, fire trucks, and fire dogs (Dalmatians).

In the third week, we will talk about Night Time/ Nocturnal Animals. The children will learn about the night time sky, bats, owls, fireflies, and raccoons! The children will get a chance to make an owl, firefly, and a paper plate raccoon!

For the fourth week, we will talk about outer space! The children will learn all about the moon, our planets, astronauts, spaceships, and stars! The children will get a chance to explore moon sand, paint a rocket and create an alien handprint.

Finally, in our last week of October, we will be learning about Halloween. The children will learn specifically about jack-o-lanterns, spiders, witches, ghosts and trick or treating. The children will make a spider, and a witch hat for art. They will also explore pumpkin fizz!

We hope you are all as excited as we are for what's to come this month!

- Ms. Kim & Ms. Leslie!
