Education

ArtCenter College of Design

BFA Illustration and Entertainment Art
Pasadena, California

Los Angeles Mission College

AA 3D Design and Animation
Sylmar, California

Course Project

Dance with the Devil / Character Design

- Developed characters using shape language and line of action
- Brought characters to life with unique personalities and backstories
- Created expression sheets and character turnarounds

Figure Drawing / Head and Hands

- Through extensive research of human anatomy, I learned how to properly draw the human form with cast and core shadows
- Drew expressive heads and hands

Skills
