Archdiocese of Hartford

Scope Of Work

Product shown below plus system integration to your classroom computer's. Installation of all components in a drop ceiling environment. We also suggested using Usb 3.0 cabling for the Webcam to future-proof later possible upgrades to you will not have to re-engineer when upgrading. Should you choose to select 2.0 cabling another \$65.00 will come off of every room. A one-time fee for a basic video for all the archdiocese will be provided for the below solution.

Minimum 3 classrooms per building required.

Audio Enhancement - Sentinel System

The Sentinel System is an economical solution to providing distributed audio to any classroom. The Sentinel System has flexible mounting options for the amplifier. The CA-60 Amplifier can be mounted behind an interactive whiteboard or in a cupboard. The Sentinel System includes the CA-60 amplifier, XD Receiver, teacher microphone, and four speakers.

Samson USB Boundary Microphone*

The UB1 can be placed on a conference table, podium, alter or can be mounted using the keyhole mounting points. Because of its low-profile design, the UB1 allows for inconspicuous placement in any setting and will offer professional-grade recordings on either a desktop or laptop computer. The solid zinc body and sturdy steel grill construction make the UB1 a dependable tool for conference rooms, houses of worship, courtrooms, classrooms or anywhere else high quality computer recording is needed.

We would like to thank you for giving RnB Enterprises, Inc the opportunity to quote you on the above-listed items. Our goal is to provide you with the products and information that help you succeed. Should you have any questions regarding this quote or any other A/V pricing needs, please feel free to contact me at (800) 998-8865 or email me at bob@rnbenterprises.com

Like us on Facebook: facebook.com/RnBCT

Follow us on Twitter: twitter.com/rnb_enterprises

Please Note: RnB has licensed E1 Electrician on staff license # ELC.0202483-E1, should you require any electrical installation to accompany your Audio-Visual needs.

Please be advised that the new Connecticut State contract PSX1900015 as of 7/01/19 provides the following verbiage: It is the intent of this Contract to allow Client Agencies a means to procure the Goods and related Services. Purchases and/or projects for this Contract must be under one hundred thousand dollars (\$100,000.00). Purchases above one hundred thousand dollars (\$100,000.00) must be bid out separately. Leasing of equipment is not allowed under this Contract: Please list contract number on the purchase if the amount is under 100,000 or if an exception is provided to the purchaser.

These are cookie-cutter estimates for installations and their components (providing we have listed Installation as a line item' on the above quote.) The pricing of these items is subject to change pending a final walkthrough of the classroom(s).

The above project is non-plenum, non-prevailing wage and electrical is to be provided by others unless otherwise specified. A walkthrough (if necessary) will be scheduled once the PO has been received by RnB Enterprises.

*Item not part of State Contract PSX1900015.
