

The Bright Horizons Family Referral Program

Each year, **Bright Horizons**[®] welcomes new families into our community. Year after year, we've found that the best way to meet these new families is through *you*.

Tell your friends about your Bright Horizons experience and you'll not only share the best in early education, **you'll also receive a \$200 tuition credit**. Credits are offered for every referral who enrolls* – and your friends will receive \$50 off their registration fee.
