The diagram shows a horizontal bar chart. On the left, there is a legend with two entries: a black square followed by a yellow square, and a red square. Below the legend, there is a horizontal line. To the right of this line, there is a vertical line segment. To the right of this vertical segment, there is a horizontal bar that is divided into two sections: a light gray section on the left and a white section on the right.

A diagram consisting of a horizontal red line on the left and a horizontal grey line on the right. A vertical black line connects the two, with a small horizontal tick mark on the red line at the point of connection.

The diagram shows a red line on the left and a grey line on the right. A vertical line connects the two lines, with a small horizontal tick mark on the red line at the point of connection.

The diagram shows a red line on the left and a grey line on the right. A vertical line connects the two. A horizontal line extends from the grey line to the right.
