

Trunk or Treat

October 29, 2019

5:00 PM – 6:30 PM

Join **Bright Horizons® at Naperville** for an evening of family-friendly Halloween fun! Families are invited to decorate the trunk of their car and park it on our lot as one of the stops along our trick-or-treat route.

Attendees will be voting and prizes will be awarded for the best car in the following categories:

- ▶ Funniest
- ▶ Most Unique
- ▶ People's Choice

We kindly ask that any treats you provide are store bought and manufactured in a nut-free factory. If you prefer not to bring a vehicle, we still encourage you to join us for some safe trick-or-treating. Because this event is open to the public, you're more than welcome to invite friends, family, and neighbors to join our celebration.

The parking lot will be available from 4:30 PM – 5:00 PM if you would like to decorate your car on-site.

Please RSVP to naperville@brighthorizons.com with your name, number of trick-or-treaters, and if you're decorating your vehicle.
