

Water Play!

June 29, 2018

Dear Harbor Families,

Summer is upon us!

Bright Horizons believes that outdoor learning is an integral part of the play and learning provision for all age groups and requires specific planning and supervision. The outdoor learning area is a valuable learning environment and every effort should be made to enable the children to have supervised access to the outdoor learning area every day. Exploring the outdoor environment is an important part of development, of knowledge and understanding of the world, as well as a requirement by licensing and NAEYC quality standards.

With the temperatures warming up we are excited to start utilizing our outdoor area for water play! We have our sprinklers and water play items. On the days that your child's classroom is scheduled for water play, **please bring your child dressed for water play and with sunscreen applied.**

Below is a schedule of when we plan to be outside. **We will start water play Tuesday, July 10th.** Please note that it is **weather dependent** and thus the times outside may vary in duration. Happy Summer! The schedule will remain posted above the fish tank in the lobby.

Class	Days	Time
Infant A	Wednesdays	10:00am weather dependent!
Infant B	Tuesdays and Thursdays	10:30am – weather dependent! 30 minutes to an hour
Toddlers	Tuesdays and Thursdays	10:30am – weather dependent! 30 minutes to an hour
Two's	Tuesdays and Thursdays	10:00am – weather dependent! 30 minutes to an hour
Preschool	Tuesdays and Thursdays	10:30am – weather dependent! 30 minutes to an hour
K-Prep	Tuesdays and Thursdays	9:45am – weather dependent! 30 minutes to an hour

As always, please do not hesitate to connect with the admin team about this if you have any questions.

Best,

The Harbor Team
