

14th WKF YOUTH TRAINING CAMP

WKF U12 & U21 CUP

POREČ, CROATIA
June 25 – June 30

Welcome Message

The expansion of Karate among youngsters lies at the heart of the WKF's overarching mission. We strive to further increase our sport at the grassroots level as we are absolutely certain that Karate plays a life-changing role in the lives of younger generations.

The WKF Youth Camp & Cup has become one of the highlights of our season since it represents the perfect showcase of the many values of our sport, with thousands of young Karate athletes gathering in a true commemoration of the greatness of Karate.

Celebrated again in the idyllic location of Porec in Croatia, the 2022 WKF Youth Camp & Cup puts the younger generations of karatekas in the spotlight. Over the course of four days, youngsters from all over the world not only get the chance to improve their Karate skills; they also learn the importance of a healthy lifestyle and other relevant lessons such as respect, honour, and dedication.

I want to thank the Croatian Karate Union and its president Davor Cipek for hosting once again such a crucial event for the development of our sport.

Best of luck to all the participants and organisers, and a big "OSS" to

**Antonio Espinós,
President of the WKF**

Federation**

Welcome Message

Dear Competitors and Guests,

On behalf of the City of Poreč - Parenzo, I would like to thank the organizers of this great event for selecting our city as the place where participants will find ideal conditions to meet the goal of the Camp – to train with top-world champions in a friendly atmosphere, and to learn about latest achievements in the world of karate.

Thanks to a great sporting tradition, excellent sports infrastructure and accommodation, we have already welcomed some of the most important sports championships ever held in Croatia - World Handball Championship, European Handball Championship, Davis Cup, world volleyball tournament Poreč Major, World Volleyball Championship, and European Fencing Championship are just some of them. But, it is you, the youth, which makes us happy the most. This Camp is a continuation of our efforts to bring top sporting events to Poreč and host them in the best possible manner.

Poreč regularly enriches a diversity of cultural programs during the season as well as in pre and postseason and wishes to offer quality content to its citizens and guests. It is worth pointing out that this is a city whose microclimate and infrastructure provide excellent conditions for athletes of different profiles, many of whom prepare for their sports competitions right in Poreč.

Poreč is a city of sports, but also a champion of tourism, a city of rich cultural heritage, entertainment, sun and sea, excellent gastronomy. Therefore, I invite you to take a break between training and competition, walk the streets of our old town, discover the landmarks, enjoy our delicacies, and experience Poreč with all your senses.

I wish you lots of sports success and good luck, and to bring beautiful and delightful experiences from our city.

Welcome Message

Dear Friends,

It's my great pleasure and honor to welcome you on behalf of the Croatian Karate Union and the Organizing Committee of the 14th WKF Youth Training Camp. The WKF Youth Training Camp, together with WKF U12 & U21 Cup, and WKF Youth League is an event created with joint efforts with the World Karate Federation, and I have to express my gratitude towards the World Karate Federation for once again recognizing us as the suitable hosts.

As the Camp grew, we felt responsible for meeting the needs of the numerous karatekas, keeping the high-quality standard, and lifting the organizational aspect even higher. That's why, after welcoming several thousands of participants in the last couple of years in Umag, we decided to make a change and move our Camp to City of Poreč which proved itself the last year as more than a good location.

I hope all of you will enjoy your stay, be happy with your results, make unforgettable memories and friendships, all that while helping us show why Poreč is justifiably becoming the center of WKF.

Mr. Davor Cipek

**The President of the Croatian
Karate Union,
The President of the Organizing
Committee**

Introduction

The City of Poreč

The City of Poreč, located on the western coast of the Istrian peninsula, in Istria County, Croatia, is also known as a city with a thousand-year history. Its major landmark is the 6th-century Euphrasian Basilica, which is today considered a true architectural treasure and has been a UNESCO protected site since 1998. The wider Poreč area has a population of approximately 17000 inhabitants, and its municipal area covers 142 square kilometers with the 37 kilometers long shoreline. Mediterranean surroundings, a gentle climate, fertile land, and lush vegetation have made Poreč a unique and one of the most visited tourist destinations in Croatia.

Moreover, years of experience in competitions and tournaments, coupled with constant investment in equipping sports facilities, have resulted in Poreč being granted the title “City of Sports”. Best owed with natural beauty, clean air, and sea whose quality has been regularly measured and monitored, our new host city promises cordial hospitality.

For more details please visit; <https://www.myporec.com/en>

After seven successfully organized WKF Youth Training Camps in Umag, Croatia, we realized that this story exceeded the capacities of our dear host town. Guided by the wish of providing even more magical experience for our participants, we decided in 2020 to move the Camp to Poreč - a beautiful city, not so far away from Umag, which, together with its natural beauty, provides infrastructural solutions, that can benefit this event.

Through this bulletin, you will be able to find out more about our new host city, sports venues we will be using, and a new concept of our WKF Camp. Moreover, you'll be able to find preliminary schedules, registration instructions, and in the last pages, we will introduce our official accommodation solutions, which will again be mediated in cooperation with our partner Uniline.
