**Bachelor of Science in Entertainment Design - Animation Track**
ArtCenter College of Design

Pasadena, CA
Anticipated Apr 2023
Graduating with Distinction - GPA  3.83

## EXPERIENCE

**Teaching Assistant**
ArtCenter College of Design
Pasadena, CA
Dec 2022 – Apr 2023

**Teaching Assistant** for Dynamic Character Drawing Class taught by Ron Velasco
Responsible for class organization including discussing syllabus and schedule with the prof, keeping track of attendance and assignments, problem-solving, providing constructive feedback to students' artwork, and helping in critiques.

**Story Artist**
ArtCenter College of Design
Pasadena, CA
Sep 2021 – Apr 2022

**Team Projects** *"The Probe"* **and** *"About Time"* **in Storyboarding Classes taught by Alan Wan**
Collaborated in teams and was able to do edits or rewrites on the scripts for better results; Mainly used Storyboard Pro for drawing, Premiere Pro for editing, and Maya for 3D camera help. Discussed and decided setups & payoffs, and transitions between sequences with the team.

**Co-Director**
ArtCenter College of Design
Pasadena, CA
Sep 2021 – Apr 2022

**Animated Short Film "***Speed Date***"**
Pitched the storyboard ideas and developed part of the storyboard; Established visual development, character design, background layout & painting, and aided in animation; The film received several film festival awards.

**Background Designer & Painter**
ArtCenter College of Design
Pasadena, CA
Jan 2021 – Apr 2023

**Animated Short Films "***Layla***" and "***Cricket***"**
Contributed to a team effort and participated in team communication including regular check-ins & discussions; Designed background layout, background painting and assets painting; Presented work on time and addressed notes from directors and instructors.

**Modeler**
ArtCenter College of Design
Pasadena, CA
Sep 2021 – Dec 2021

**Animated Short Film** *"Ghost Service"*
Created 16 Prop modeling in Maya for a 3D animated short film; Shaped the stylized assets based on artwork done by concept artists; Engaged in teamwork to accomplish objectives and flexible with changing needs in production.
