THE LUXURY COLLECTION

We have a boundless passion for classic cocktails, and an unquenchable thirst for new creations. We present our unique luxury collection of cocktails below.

THE VESPER

75

First mention of this admirable cocktail was by Ian Fleming and immortalized in his 1953 book Casino Royale. This is our luxurious version with Tanqueray No. Ten gin and Ketel One vodka.

Singularities – James Bond 007 style

THE ADDRESS DOWNTOWN WHISKY SOUR

75

It is a twisted version of a classic cocktail dating from the mid-1800s, inspiring many variations. The key to a sublime Whisky Sour is freshly squeezed lemon juice and of course a superior Johnnie Walker Black Label Scottish whisky.

Singularities – eurythmic sourness

EL CHE BLAZER

95

El Che Blazer is a unique cocktail, which has been specially created for Address Downtown. It is a Rémy Martin V.S. cognac-based creation with a combination of blackberries and raspberries, finished with a twist of orange.

Singularities – flamed, served warm

PRESIDENTE

100

A transformation of a classic old-fashioned cocktail made with Jack Daniel's Single Barrel bourbon and peculiar bitters. It conjures visions of an amber-hued cocktail enjoyed as the evening is winding down, glowing in a snifter.

Singularities – time is the secret

EVOLUTION OF THE MARTINI

Whether you are serving an elegant martini, an amber-hued Manhattan, a jewel-toned elixir, or a tropical cooler, a drink seems positively naked without some visual accompaniment. Even the smallest of citrus peels will add a lovely fragrant dynamic to the drink.

GIBSON COCKTAIL 75

This cocktail was developed in San Francisco around the 1900s, named after the great American artist Charles Dana Gibson. The Gibson cocktail is a combination of Bombay Sapphire gin + Martini branded vermouth, garnished with pickled onions.

THE MARTINEZ - GIN MARTINI 75

The exact origin of the Martini is widely debated, however, the most likely explanation is that it was simply a shortened name of the main ingredient - Tanqueray No. Ten gin + Martini branded vermouth.

VODKA MARTINI 75

The Cigar Lounge Vodka Martini is our variation of the Martinez cocktail, and it is made with Ketel One vodka, vermouth and garnished with an olive or lemon twist. We recommend that our martinis should always be stirred, not shaken, so that the molecules lay sensuously one on top of the other.

TURF CLUB COCKTAIL 85

As described by Harry Johnson in his 1882 manual, the additives of 'turf' are vermouth, Tanqueray No. Ten gin with dashes of Angostura bitters, Maraschino liqueur and absinthe, stirred in shaved ice and served with olives.

NOBLES COCKTAIL

“Burgundy makes you think of silly things, Bordeaux makes you talk of them, and Champagne makes you do them.”

Jean Anthelme Brillat-Savarin, French gastronome and writer

KIR ROYAL

170

Kir Royal is a popular French cocktail made with a measure of Crème de Cassis and finished with Billecart-Salmon Brut Réserve.

GRAND CHAMPAGNE

175

Anything with Grand Marnier + Billecart-Salmon Brut Réserve becomes grand tasting! This is a superb glowing amber cocktail.

FRENCH 75

180

Created at Harry’s New York Bar in Paris, this cocktail was allegedly named after a French-made 75mm Howitzer cannon used in World War I. The cocktail contains Tanqueray No. Ten gin, lemon and Billecart-Salmon Brut Réserve, finished with a twist of orange peel.

CLASSIC CHAMPAGNE COCKTAIL

185

Billecart-Salmon Brut Réserve shines through in this classic, with a hint of added flavour from spirits, Angostura bitters and citrus peels.

CLASSICS REVISITED

“The proper union of gin and vermouth is a great and sudden glory; it is one of the happiest marriages on earth, and one of the shortest lived.”

Bernard De Voto, American critic and historian

ROYAL BLACKBERRY 75

Royal Blackberry is a unique creation which has been put together by the 2008 Address Downtown team. This Ketel One vodka-based cocktail has the fresh spring bouquet of blackberries and apples.

ROSEATE 75

The Cosmopolitan is one of the most eminent cocktails in the world, with several variations existing of this martini. The Cigar Lounge creates this modern version with a unique twist, Ketel One vodka and Patrón Citrónge liqueur.

PEGU CLUB COCKTAIL 75

Created and served in The Pegu Club, British Colonial Burma in the 1920s. A most refreshing combination of lime, Tanqueray No. Ten gin, orange liqueur with dashes of Angostura bitters.

MARY PICKFORD 75

An infamous Cuban cocktail based on Havana Club Añejo 7 Años rum, pineapple juice, Maraschino liqueur and grenadine, The Mary Pickford was created at the Hotel Nacional de Cuba for the famous 20th century American movie star.

HAND-CRAFTED OLD-FASHIONED

The Old Fashioned is one of the simplest cocktails on earth. It is made by muddling sugar with bitters, followed by the addition of alcohol, such as whiskey, brandy or rum, and finished with a refined twist of citrus. Perfection and time are key.

SMOKED JAPANESE OLD-FASHIONED

75

Burnt and spicy, toasted and smoky, this Japanese twisted version on a classic Old Fashioned has a cherry smoky flavour from Nikka Whisky from The Barrel with perfectly balanced sweetness. Warming in winter, welcoming and aromatic in summer, this elegant cocktail is literally a piece of art.

AGED OLD-FASHIONED

This Old-Fashioned cocktail has been created to honor the perfection of classic cocktails. Our aged Old-Fashioned cocktail puts a refined twist on a classic version. Secret is “TIME”. Ageing process:-

One Month	75	Three Months	95
Six Months	105	Twelve Months	125

ULTIMATE ZACAPA OLD-FASHIONED

125

The Zacapa 23 Year Old is stirred with homemade vanilla infused honey. Poured over a hand-chipped chunk of crystal clear ice, the Zacapa 23 Year Old is the leader within the rum old-fashioned family.

CHOCOLATE + BANANA INFUSED OLD-FASHIONED

75

This contemporary classic made with Woodford Reserve is inspired by a true love for a modern cocktail mixology. The infused fruits of the earth combine to create a long, refreshing drink with an elegant oriental touch – liquid treasure in a glass.

IRISH WHISKEY

The first evidence for the distillation of Irish whiskey in written sources dates from the 15th century. Most Irish whiskeys are a mixture of malted and unmalted barley with other grains.

JAPANESE WHISKY

Japan began producing whisky in the 1870s. However, commercial production only began in 1924 upon the opening of the country's first distillery, Yamazaki. Japanese whisky is seemingly more similar to Scotch whisky than Irish whiskey and thus the word 'whisky' typically follows the Scottish convention.

COGNAC

Cognac is a variety of brandy produced in the wine-growing region surrounding the French town Cognac from which it takes its name. In order to bear the name Cognac, the production methods for the distilled brandy must meet specified legal requirements under 'Appellation d'origine contrôlée' translated as 'controlled designation of origin'. It calls for Cognac to be made from certain grapes, distilled twice in copper pot stills and aged at least two years in French oak barrels from Limousin or Tronçais forest.

GIN

Historically, gin comes from Holland and has been brought by the Royal Family to England. Gin is a flavoured white spirit made by distilling grains such as barley, corn or rye. It is flavoured using juniper berries, coriander, angelica, herbs and spices and a variety of other natural ingredients that are added to the grain mash during distillation. Production of gin was probably discovered by monks in about the 1200s, who added juniper to a distilled spirit to create a ‘medicine’.
