SEPT 23-24 2017

THE COUNCIL CLASSIC

Please join us as Midwestern Council holds its annual road races in the park like settings of Wisconsin's beautiful Kettle Moraine – that would be “**America’s National Park Of Speed**” at Road America! Two days of wheel-to-wheel racing and your shot at double championship points, **PLUS** we're sharing the weekend with Porsche Pirelli GT3 Cup Trophy USA pro series. We've held the line on our expenses again this year, as entry fees are the same as the last two years.

Highlights of the Weekend:

- ☒ MC Wheel-to-Wheel races Saturday and Sunday, each with Championship points
- ☒ Race Staff Clinic Saturday – see how much fun you can have while helping out your club!
- ☒ Dinner on Saturday night by Chef Paul
- ☒ \$400 in gas cards for race staff drawings!

We are pleased to have Porsche Pirelli GT3 Cup Trophy USA joining Midwestern Council for the weekend. We have worked the Pirelli sessions into the schedule for the weekend to meet their needs and to provide the Council participants with the same track time they've enjoyed over the years.

Porsche Pirelli has a test session scheduled for Friday, has secured the enclosed Orion Garages, and will be paddocking between the Orion Garages and pit road. When Council competitors and Race Staff later on Friday the Porsche Pirelli competitors should have all arrived and be parked. Council competitors and Race Staff will be able to use the remaining paddock areas as well as transition through the Porsche Pirelli paddock to Tech and return from the end of pit road to the other RA paddock areas.

A Special Invitation to Our Race Staff Members

As always, we need your help! Enjoy free coffee and donuts in the morning and free lunches each day, free camping and drawings for gas cards. And Saturday night you will find foraging in the wild for nuts and berries to be rewarding. We have reason to believe the burger and beer crop will be abundant this year.

Race Staff Clinic

A Race Staff Clinic will be held on Saturday by Gail Woelfle. She can be contacted at 608-212-7438 or buddygail62@gmail.com for more information. Pre-registration is greatly appreciated but not required - anyone interested should report to the Road America control tower at 10 a.m. on Saturday. Take the tunnel from the Paddock under the track near the start/finish line, turn right, walk through the Tower parking lot, go through the Race Control door, and ask for Gail.

Motorhome & Tent Camping

The weekend cost of motorhome, RV, and tent camping is \$50 . **The motorhome/RV/camping fee is waived for all race staff!** Electrical hookups are available for an additional \$20 from the track. Camping fees are payable at the registration building during registration hours. Shower facilities are available just west of the St. John's concession building in the large restroom building adjacent to the medical center.

Getting There

Road America is about 50 miles north of Milwaukee. Take I-43 north from Milwaukee and exit on Wisconsin 57. Continue north on 57 to County Highway J (approximately 3 miles past the town of Plymouth). Turn west on J to Wisconsin Hwy 67. Turn north on 67 and follow it to the track entrance. Highway 57 is under construction for the full length of Sheboygan County but there is at least one lane open in each direction at all times.

2017 Road America Supplemental Regulations

1. General Event Regulations

- 1.1. This event is sanctioned by the Midwestern Council of Sports Car Clubs, and insurance conforms to MCSCC requirements. This event will be held under the MCSCC General Competition Regulations, Track Regulations and all Supplemental Regulations.
- 1.2. Drivers are responsible for notifying crew and guests of the hours Registration is open. Entry may not be available beyond posted hours.
- 1.3. Minor guests must be under adult supervision at all times.
- 1.4. A slow and safe speed shall be maintained in the paddock at all times. Riding on the exterior of vehicles is prohibited.
- 1.5. No intoxicants may be consumed by drivers, crew or guests before the end of the last race or other on-track activity. There may be General Admission spectators not registered with event sponsors which are not subject to this rule.
- 1.6. No illegal drugs or controlled substance shall be tolerated on the track premises at any time.
- 1.7. Any and all protests, questions or complaints against any competitor's car or driving or against any race specialty should be made to the Event Chief Steward or his/her designated assistant as stipulated in the GCR. In no case should complaints be directed to any race worker in any specialty.
- 1.8. All race support vehicles (ATVs, golf carts, etc.) must bear a legible placard with the entrant's car number and class designation.

2. Special events

- 2.1. None,

3. Race (Wheel-to-Wheel) Supplemental Regulations

3.1. Race Entry & Registration

- 3.1.1. Races are open to drivers holding a valid current MCSCC, SCCA (Pro, Full Competition or Novice with one race signoff minimum), WHRRI, BMWCCA(full), EMRA, CASC, PCA(full), NASA(full), *ACC Levels 1 and 2*, SVRA, or VMC racing license. Vintage/Historic groups are additionally open to drivers holding valid current SCCA Vintage, HSR or other recognized license or be able to provide proof of participation in events from other Vintage groups.
- 3.1.2. 14 thru 17 year olds may compete if they hold a Midwestern Council Minor Participation License or a competition license from a recognized sanctioning body and conform to all procedures required of that license.
 - 3.1.2.1. Persons *who* enter this event with an MCSCC Minor Probation License must personally present his license to the Event Chief Steward accompanied by his attending parent/guardian.

- 3.1.2.2. If another sanctioning body license is used, the minor driver with the attending parent/guardian needs to present to the Event Chief Steward a copy of the "MINOR RELEASE OF LIABILITY AND INDEMNITY AGREEMENT" (Minor Waiver) provided to the sanctioning body for the Competition License indicating car number and class in which the minor will be participating. Should this copy not be available, some form of verification of parent or guardianship needs to be available.

- 3.1.2.3. It is the responsibility of the Minor Participant to personally retrieve his license from the Event Chief Steward accompanied by his attending parent/guardian before leaving the track property.

- 3.1.2.4. Before the attending parent/guardian leaves the track property, he must report to the event Chief Steward that he is doing so before leaving and again upon his return. The minor participant will NOT be allowed on the race track if the attending parent/guardian is not present.

- 3.1.3. All drivers must be prepared to show at registration a current approved competition license.

- 3.1.4. Drivers and cars may enter more than one race group (at additional fee) providing they meet the appropriate class, safety and license requirements. Cars running in multiple race groups must have a tech sticker and display appropriate class designation for each group, and attend Drivers Meetings for each group if separate meetings are held. All cars running UNR are subject to the approval of the Event Chief Steward.

- 3.2. Race officials reserve the right to alter the schedule or race groups for good and sufficient reason, and to re-assign car numbers where required.

4. Race Tech & Impound

- 4.1. To be allowed on track, all cars are to display a sticker issued by the Chief of Tech or his/her designated assistant indicating that, in his/her opinion, the car conforms to all safety regulations and marking requirements as detailed in the MCSCC GCR.
- 4.2. Drivers whose competition vehicles have logbooks issued by other sanctioning bodies must present all logbooks at any technical inspection.
- 4.3. All drivers must wear a Snell Foundation approved helmet. Helmets meeting at least Snell SA2010 rating are required.
- 4.4. The scales at impound are the official scales. Scales

will be available throughout the weekend.

- 4.5. Sound control - All cars are required to comply with the decibel limit established by the track (see track regulations). If a car is recorded in excess of the limit during an on track session, the first two times driver will be notified of the infraction as the car enters the paddock and instructed to make repairs. If the car is subsequently recorded in excess of the limit it will be Black Flagged and disqualified from further competition.

5. Race Timing & Scoring

- 5.1. AMB TransX 260 transponders are required for all wheel-to-wheel entries. A limited number of transponders will be available for rental. Rental Fee is \$50 for the weekend and requires a \$300 Security Deposit (refundable.) Rental Fee and Deposit requires cash, or two separate checks (no credit cards.) Rentals will be handled at registration. Renters will be notified where to return the transponder and retrieve the deposit. DO NOT take transponders into the building housing Timing and Scoring. Transponders are also available for purchase from MYLAPS Sports Timing at 678-816-4000 or online at www.mylaps.com, as well as from other sources.
- 5.2. All cars must display registration assigned numbers per the GCR. Failure to conform will result in written/verbal notification by the Stewards. Cars appearing in subsequent sessions without conforming will receive a Black Flag. The car will then be directed to the paddock for repairs. If the second offence is during a qualifying session, no time will be counted prior to the issuance of the Black Flag for a grid position. The car will be allowed to return to the track after repairs have been completed during practice and qualifying sessions. Should a car fail to conform to the GCR number requirements during a race, the car will receive a Black Flag and be directed to the paddock. Drivers are responsible for providing all materials needed to create acceptable numbers.
- 5.3. Drivers (and co-drivers) must complete 5 verified laps of practice and/or qualifying in order to be eligible for the race, or have permission of the Event Chief Steward.
- 5.3.1. Grid positions for races will be determined by computerized electronic timing system.
- 5.3.2. A driver may elect to start from the back of the grid regardless what the best timed lap for the car may be.

6. Race General

- 6.1. Safety belts, helmets and all driving gear must be worn during cool off and victory laps.
- 6.2. All drivers, with their cars, involved in metal to metal contact will be directed to impound immediately upon exiting the track with or without assistance. A Steward will meet them there to inspect the vehicles and collect reports from the drivers involved. The car and driver will remain in impound until released by the Steward. Cars involved in consecutive race groups may be released from impound immediately by the steward, but must return to impound after that

session before returning to the Paddock.

- 6.3. Blocking is defined as making more than one move, left or right, to impede an overtaking car. When reported, the offender will receive a blocking flag from the Starter. The Blocking flag from the starter stand is the display of a waived Blue Flag accompanied by a Ferruled (Closed) Black Flag. If you continue to be reported to be blocking, you will be issued a black flag.
