

April

Ms. Becky & Ms. Cindy

Purple Room

The Academy at Venice

Spring is in the Air! As the weather starts to warm up, make sure your child has appropriate extra clothes in their cubbies/backpacks. Also, please make sure your child has sunblock here in class and that you have signed a release form so we can apply it in the afternoon.

We have a lot of exciting and fun things planned for April. Our monthly theme is "what a Wonderful World." During the first week, we will read some fairytales, make Rapunzel's castle and the bed from "the princess and the pea." we will also feed the three bears oatmeal, make an apple erupt, and make rice crispy treat apples!.

During the second week, we will discuss the weather. We will learn about different types of weather. We will make rain in a jar and a tornado in a bottle, we will jump in puddles with letters on them, make toilet paper roll binoculars and colorful windsocks!

The following week, we will discuss famous artists—their style, subjects, and materials. We will construct Picasso-like portraits, paint concentric circles in squares like Kandinsky, watercolor beautiful flowers like O'Keeffe, and make paper lily pads like those in Monet's garden.

Lastly, we will immerse ourselves in the Spanish language, and learn how to count, say the alphabet, and name the colors and animals. We will also make maracas, mini pinatas, and decorate some fun sugar skulls!

We look forward to all of the learning we will be doing this month! Any questions feel free to ask us.

Reminders:

4/8-4/12: spirit week

4/8-4/12: D.E.A.R week & Week of the Young Child
