The diagram shows a horizontal bar chart. On the left, there is a legend with two entries: a black square followed by a red square, and a red square followed by a yellow square. Below the legend, there is a horizontal bar chart. The bar chart has a single bar that is divided into three segments: a black segment on the left, a red segment in the middle, and a yellow segment on the right. The bar is positioned above a horizontal axis line. To the right of the bar, there is a vertical line segment that extends from the top of the bar down to the horizontal axis line. This vertical line segment is connected to a horizontal line segment that extends to the right, ending at a rectangular box. The box is empty and has a black border.
