I. General

This is an easy-to-follow GTA Rally. It is a competitive event run on public roads at posted speed limits, following all traffic laws. Do not violate any traffic laws upon penalty of disqualification. Scoring is based on correctly answering questions and finding clues along the route. Strict adherence to the National Road Rally Rules does not apply. There are no controls on this route, however there are several places to record your mileage. This is a social event and is eligible for points toward Cincinnati Region's championship series.

This rally is open to both SCCA members and non-members (a member discount is offered if at least one competitor is a current SCCA member).

II. Course

All roads are paved. There is a 1.5 to 2.0 mile patch of bumpy narrow road. There is an optional bathroom, snack & gas break just past halfway through the rally. There are no set speeds or prescribed times.

There will be an odometer check and several places to record then rest your odometer for scoring purposes. This will encourage you to keep on course and not go back too much for answers.

This is a tulip rally with diagrams in addition to worded instructions along the way. Please don't allow yourself to get lost to the point of frustration. Call for help. Please let the Rally Master know if you need to abort, so we know why you aren't showing up at the end.

III. Signs, Landmarks and Questions

Common definitions of objects apply to questions. Questions are not all quotes from signs.

Questions can only be correctly answered with clues available from the initiation of the preceding instruction and the completion of the following instruction. If you observe more than one potential answer, the first instance is the correct answer. If there is no answer, write in “none”. Blank answers will be scored against you. It is not necessary to leave your vehicle to answer any questions.

Do not cause a hazard to other drivers in order to get an answer. It is preferable to safely turn around and go back for an answer if desired. **THIS WILL NEGATIVELY IMPACT YOUR FINAL SCORE.** You will not complete the rally on time if you spend too much time back tracking.

IV. Scoring

You will be given 1 point for each incorrect answer and a penalty will be assessed for mileage variance. Low score wins. Ties will be broken by the Rally Master by a coin toss, highest card draw, tie breaker question or other method to be determined by the Rally Master. The Rally Master has the final decision in all scoring disputes. Both driver and navigator will be awarded points for their finishing position for the series championship. Refer to “Series Rules” for details.
