

AMAXING CHALLENGE GRANT APPLICATION - CHAPTER

Alpha Xi Delta Foundation has a long history of supporting the Fraternity's philanthropic activities. The Alpha Xi Delta Foundation is proud to continue this tradition by supporting Autism Speaks through individual grants awarded to collegiate chapters in an effort to enhance their fundraising and awareness efforts. College chapters that are in need of start-up funds to initiate an AmaXing Challenge event are encouraged to apply for an Alpha Xi Delta Foundation AmaXing Challenge Grant. While chapters hosting any of the seven approved AmaXing Challenge events qualify for this grant, priority will be given to chapters hosting an AmaXing Challenge: Step It Up.

The Alpha Xi Delta Foundation AmaXing Challenge Grants are an effort to empower and support chapters and associations in growing their events and fundraising capabilities in support of Autism Speaks. The Foundation realizes the strength of Alpha Xi Delta lies in the membership and is committed to designating funds annually for grants that enable YOU to dream bigger and raise awareness for Autism Speaks. All chapters and associations in good standing are encouraged to apply.

Criteria for these awards include:

- **Return on investment:** How will this grant enable you to increase your fundraising efforts?
- **Community education and involvement:** How will this grant enable you to educate and involve more individuals on your campus and in your community?
- **Quality and feasibility of the plan:** Do you have a well-constructed sponsorship packet, public relations plan and objectives?
- **New or improved event:** How will your event be bigger and better than ever before because of additional funding?

Application Instructions: Submit the following application materials to Kendra Lewis, Director of Development, at klewis@alphaxidelta.org at least 90 days prior to your event. You will receive notification on your award status within two weeks.

- Letter of intent describing the chapters commitment to the AmaXing Challenge
- Itemized budget of projected expenses and revenue with an anticipated net revenue
- Sponsorship packet (A sample sponsorship packet can be found in Exclusively Xi.)
