Georgia's Dance of the Seasons

We love Fall here at the JCCC and thoroughly enjoy the beauty of the changing seasons! Changing of the seasons also means that the weather patterns fluctuate daily.

Daily outings to our beautiful playgrounds are a valuable extension of our learning environment. It is also a licensing requirement to take the children outdoors daily (weather permitting). To help us utilize these great spaces, please ensure you dress your child in weather-appropriate clothing. We recommend keeping a jacket in their cubby as well as plenty of weather-appropriate extra clothing. This is also a great time to make sure your child's extra clothing still fits them and swap out anything that may be too small.

Growing Readers 25th Anniversary Book Drive

Bright Horizons is celebrating the 25th anniversary of the Growing Readers campaign, with a company-wide goal of collecting 25,000 books. To do our part, our center has set a goal of 1,300 books (or more!). So far, we have collected **1,213 books**, which means we have almost met our goal! Thank you to everyone who has donated! Let's keep the momentum going to meet our goal. Just **87** more to go!
