Day-of entries may be accepted at track if space permits, however there will be a \$25 late fee for half-day HPDE or a \$50 late fee for full-day HPDE. **The pre-registration deadline is Wednesday, June 28th at 11:00 PM Central Time.** Register early, event space is limited.

Refunds: No pre-registration refunds will be allowed after the registration deadline. This event has limited capacity; your registration and pre-payment reserves a spot for you. To receive a refund, you must send a written request, postmarked or emailed, no later than the registration deadline. Your refund will be the event price minus a \$10 processing fee. Send requests to: Madison Sports Car Club, 6 Knollwood Ct, Madison, WI 53713-3479

Driver Eligibility: Driver must be 18 years old and have a valid state issued driver's license. 14 thru 17 year olds may compete if they hold a Midwestern Council Minor Participation License (MPL) or a competition license from a recognized sanctioning body and conform to all procedures required of that license and MC Minor Participation paperwork in place. License must be presented at Tech.

General Information: The chief steward of the event may modify, add to, delete from, or grant exceptions to these regulations at any time.

Driver Safety: Drivers must wear long sleeve tops and long pants made from natural fibers and closed toe shoes. A Snell Foundation **2010** or newer helmet, M, SA or K rated and factory installed 3-point belts or better are required. Snell 2005 helmets are no longer acceptable. Roll Bars/Cages are required in open-top vehicles without factory roll-over protection. Drivers & Vehicles in Group 4 must meet safety requirements as specified in the MC GCR for wheel to wheel competition. No alcohol is permitted until after the on-track activities have been concluded for the day – performance-impairing substances are *a/ways* prohibited.

Numbers: Car numbers will be assigned on a first to register first assigned basis. MC permanent numbers are NOT honored. Numbers must be on both sides of the car, of contrasting color, at least 6" high, and not made from shoe polish or marker.

Run Group: There will generally be four (4) run groups – passing rules vary by group (be sure to understand the rules for your group).

Passing: Passing will be done with a point by for each car passed. Passing two cars at once is unacceptable. Drivers passing without a point by will be black-flagged. First offense you will sit out the rest of the session, second offense you will not be allowed back on track – this is not racing. If a driver is faster than you in the corners, let him pass you in the straights. You may have to lift. Black flags will be issued for not pointing by and letting faster cornering cars by on the straights.

Passing zones may vary depending on group and conditions – zones will be finalized at the drivers meeting.

Passengers: No passengers will be allowed except those designated as an instructor by the chief steward. The only time more than one person is allowed in the car is if one of those people is a designated instructor. Instructors may take students in their car or ride along with students.

Instructors: Instruction is very limited. Instructors are volunteers from the competition drivers. We expect instructors to assist new drivers with learning the line and basic driving technique for a session or two. We respect that our volunteer instructors are at the event for their own track time. A more formal course of instruction is available at Midwestern Council Driver's Schools.

On-Track Behavior: Front windows must be down. Honor the blend line when entering the track. Watch your mirrors and corner stations. You will be black flagged if you aren't paying attention. Not all corners will be manned. When exiting course, put your left hand in the air to signal you're slowing; move off-line. Exit the track using Pit Row; other track exits are for your emergency use only. Off-course excursions will bring you into the pits to chat with the steward. Multiple off-course excursions will end your day. Emergencies on track may result in the session immediately being ended.

Flags On-Course: Yellow: Stationary or Waving. Incident up ahead. Slow down, no passing until the next manned station.
Black: Driving infraction. Proceed to pit lane immediately.
Blue: Faster car is behind you, let them pass.
Yellow/Red: Debris on the course. Drive with caution, be alert.
Checkered: End of session. Finish your next lap and exit track through pit lane.
