THETA CHI
Resolute Men FRATERNITY

Congratulations

To the 2017/2018 Theta Chi Scholarship Recipients

The Foundation Chapter proudly awards brothers who exhibit outstanding academic performance; service to the Fraternity, school, and community; leadership activities; financial need; and clear personal and career goals and objectives. In turn, providing scholarships to our fellow brothers promises each recipient the opportunity to continue their education, ensure a brighter future, and find peace with the great financial burden many take on while pursuing an education. The proof and appreciation of this promise rings true in the testimonies of our 2017/2018 recipients.

(Arkansas Colony)

"I applied for a scholarship from Theta Chi in hopes of having some of the financial burden of college lifted. This scholarship is enabling me to focus more of my time and energy into my academics, participation in Theta Chi, participation on campus, and involvement in my community. Without the help of this scholarship much of my time would be taken up by work. . .. Being granted this scholarship is a true honor and an act of kindness I will not soon forget. It will play a significant role in allowing me to further my education and become a Resolute Man. To the alumni who helped finance this scholarship I would like to say thank you, your generous gift will truly make a positive difference in my life. I hope that one day I will be able to help someone just as you have helped me. Thank you." - Tyler Blegen (Phi/North Dakota State)
